Date 23 november 2022

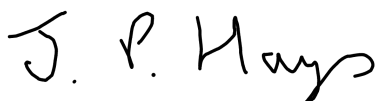

Dear Dr. Riedijk,

Thank you very much for the information you provided to the ECRM regarding the quality assurance cycle (QAC) of the research master 'Genomics in Society'.

The ECRM approves the quality assurance cycle of the research master 'Genomics in Society' and thanks you for your patience.

The ECRM looks forward to receiving an action plan and/or annual report (preferably both) when/ if they become available.

With kind regards,

Dr. John Hays

Chair Education Committee Research Masters
