Group registration

Group registration goes via OSIRIS Student.

Keep in mind that registering for a group is a separate procedure from course registration and needs to be done by you during the designated registration period!

Group registration takes place **per term**, so make sure to check the deadline overview on the course registration page.

N.B:

- We urge you to not use multiple devices simultaneously to access Osiris as it will strain the system and cause technical issues or crashes!

- Be aware that you will <u>not</u> receive an email confirmation once you change your tutorial group from DUMMY to your preferred group. Consult 'Show my enrolments' in OSIRIS Student to ensure that your registration for a tutorial group has been successful.

- Make sure you carefully check the schedules of the groups you want to register for, **before** registering to them, to ensure there is no overlap with other courses you are taking.

1. Click on 'Enrol' in the home screen.

2. Click on 'Show my enrolments'.
