

Dear students,

One of the many great aspects of EUC is the opportunity to really involve yourself in student life to get the most out of it. Within the student organizations there are a lot of committees that will plan events and projects for anything that might interest you, both academic and non-academic, so don't hesitate to get involved! Below, two of EUC's newly elected student organizations will introduce themselves.

EUCSA

Hey hey future tigers!

We hope you are excited to start your time at EUC. We - Kimi, Eileen, Gijs, Alba, Emily and Violette - are the board of EUCSA and our goal is to make your university experience unforgettable.

EUCSA stands for Erasmus University College Study Association and throughout the year, we offer loads of epic activities and events. Picture awesome parties, exhilarating sports, catchy music, top-notch sustainability initiatives and so much more – all aimed at helping you connect with fellow students, grow personally, and create memories to cherish forever.

Check out the video we've attached to this email where we introduce EUCSA and tell you what it means to be part of the association!

So, what next? You can check out our website (<https://www.eucsa.nl/>) or Instagram (@eucsa) for more information, or to just see what the vibe is like. Then, during Introweek, you can get a membership for our one-of-a-kind association.

We can't wait to meet you in Introweek, so get ready for college with EUCSA!

Lots of love,
The 12th EUCSA board

SAAC

Hello future EUC students!

We are the Student Academic Affairs Council (SAAC). SAAC is the democratically elected students' body, responsible for representing your voices when it comes to the academic part of your life at EUC. Our board is composed of students across different cohorts and we represent all EUC students in our interactions with staff and management, thus being a contact point between students and staff, meaning you can come to us with any academic issues or ideas to implement at EUC.

At the start of the academic year we will be looking for a first year representative from your class!! To have a better insight into the academic challenges of each year, a First Year Representative will be elected at the start of the year, and three general representatives from each cohort.

The First Year Representative will be part of the SAAC board and the main representative for all first year students thus ensuring that SAAC caters to and addresses the concerns of your cohort. It is a great opportunity for you to speak up for your cohort, as well as get a better understanding of EUC. Furthermore, as a member of the SAAC Board, you will have the chance to interact with tutors and management.

The General Representatives are an extension of the board, to help spread information from SAAC and to collect information from students to help improve SAAC Board's initiatives and projects while also expanding their reach. This is a great opportunity to get to know students from other cohorts and have more impact on the ongoing academic projects in EUC.

We can't wait to meet you guys! If you have any questions you can find us on instagram @saacboard or email us at saacboard@gmail.com

From your SAAC board,
Akshaj, Baptiste, Zaid, Paul and Samin
