

Debriefing

You have reached the very end of this study conducted by [...], Rotterdam School of Management, Erasmus University Rotterdam.

Thank you very much for your participation. Your answers are very valuable to us.

At this point, we want to disclose to you that you did not receive true feedback about [...]. Instead, we informed half of participants that [...]. The other half of participants learned that [...]. We did this because we wanted to learn [...].

We urge you not to discuss this study with anyone else who is currently participating or might participate at a future point in time. As you can certainly appreciate, we will not be able to examine the research question with participants who know the details of the study beforehand.

You may decide that you do not want your data used in this research. If you would like your data removed from the study and permanently deleted, please contact us via the address listed below. Whether you agree or do not agree to have your data used for this study, you will still receive payment for your participation in your Prolific account.

If you would like to receive a copy of the final report of this study (or a summary of the findings) when it is completed, please feel free to contact the researcher(s) at [...]

If you have any questions or concerns regarding this study, its purpose or procedures, or if you have a research-related problem, please feel free to contact the researcher(s) at [...], or you can send us a message via Prolific.

Thank you!
