

What will you learn?

This short and interactive writing course taught by an experienced language trainer will help you to improve your academic writing skills in English. The course consists of 5 sessions of each 2,5 hours. In this course you learn how to write academic texts in proper English. You'll learn about the pitfalls for non-native authors, the dos and don'ts and the conventions. We will work on:

- excellent organisation and coherence at text level;
- writing good paragraphs;
- writing correct English at sentence level (including grammar, style and vocabulary);
- developing the most efficient writing process.
