#06
NEWSLETTER

After 3 years of cooperation, POTEnT is coming to an end – at least of phase one!

This edition of the newsletter is devoted to the 8 Regional Action Plans that have been produced by each partner as a result of the interregional learning process. The approval of the RAPs marks the end of phase one: from August 2022, partners will have 12 months to monitor the effectiveness of the actions contained in the plans.

Low-carbon
economy

ALOEN will improve 2 orientations of the Lorient Agglomération's Territorial Climate Air and Energy Plan.

Capacity building event in Parma

At the end of June, POTEnT partners gathered in Parma for the capacity building event, the first in person meeting after 17 months!

One and a half day of fruitful exchange, trainings but also fun moments. Read [here](#) what happened!

What's next?

During the next 12 months, POTEnT partners will implement and monitor the Regional Action Plans! And there will be the space also for a Final Conference. Much is still to be done - don't stop following our website for all the news!

OSTRAVA!!!

Ayuntamiento de **Pamplona** | Iruñeko Udala
