

Deregistration from a course

You can deregister for courses in [Osiris Student](#). Follow the next steps for a correct course deregistration procedure.

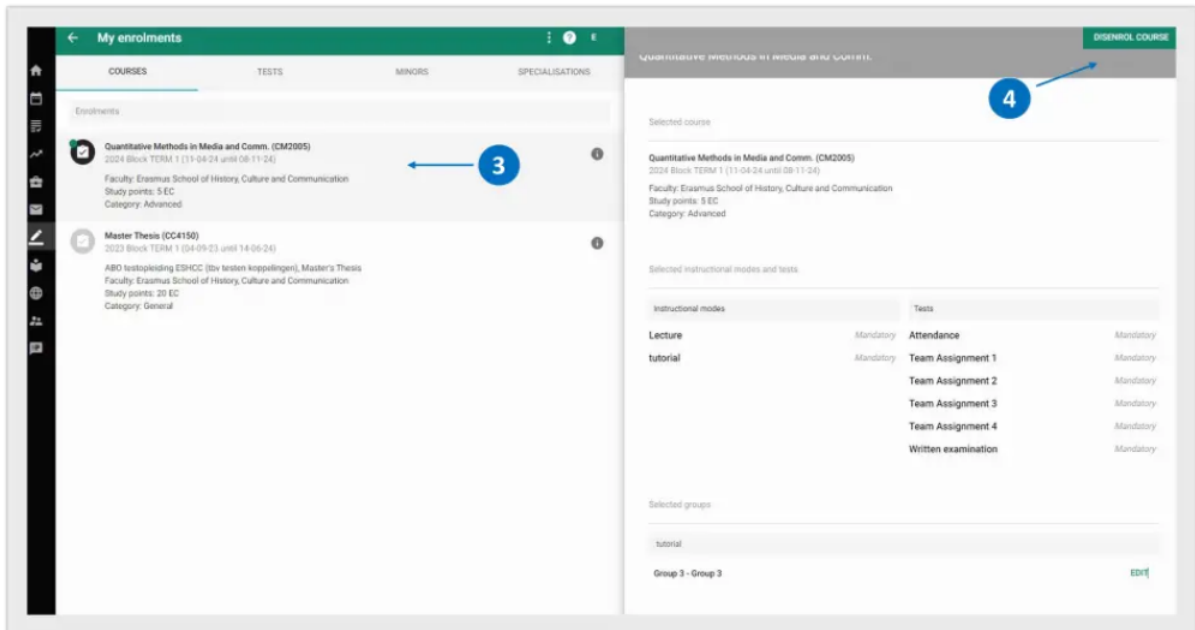

1. Click on 'Enrol' in the home screen.

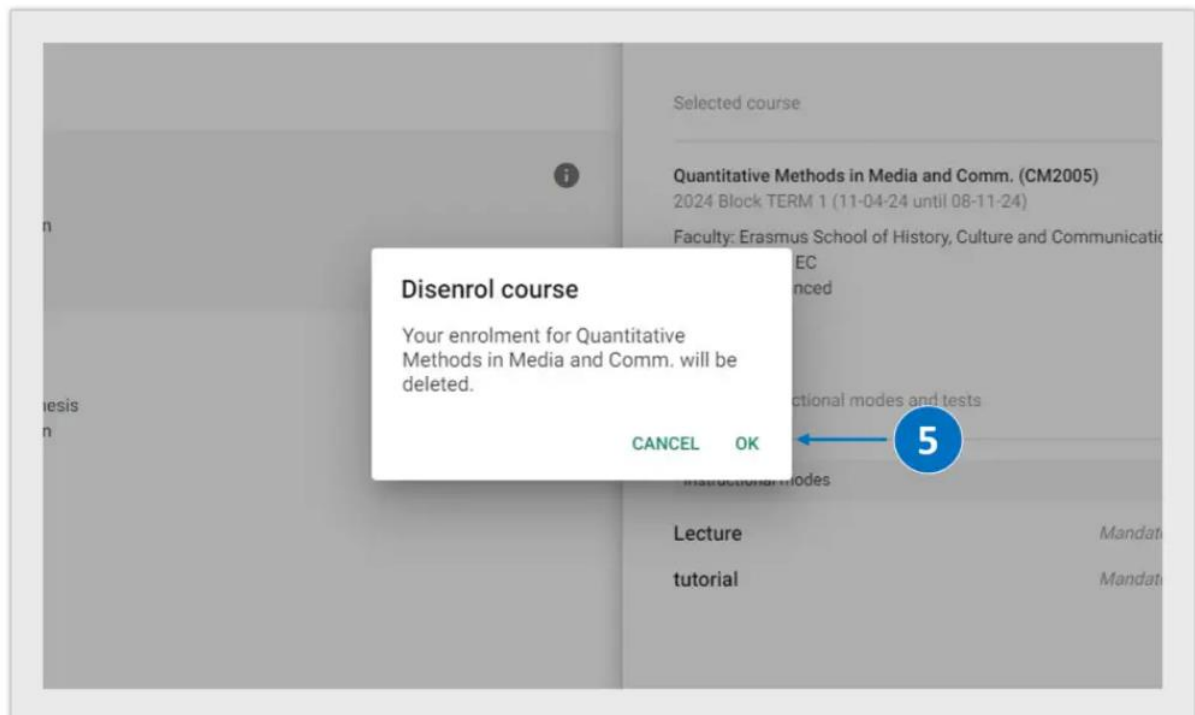

2. Click on 'Show my enrolments'.

3. Select the course you want to deregister from.
4. Click on 'Disenrol course' on the top right corner.

5. Confirm your disenrolment in the message that pops up.

6. At the bottom of the page, a disenrollment confirmation message will be shown. You will also receive an automatically generated e-mail confirmation in your EUR e-mail account.
