

**What if...**

...we prioritise real-  
world concerns in  
education?

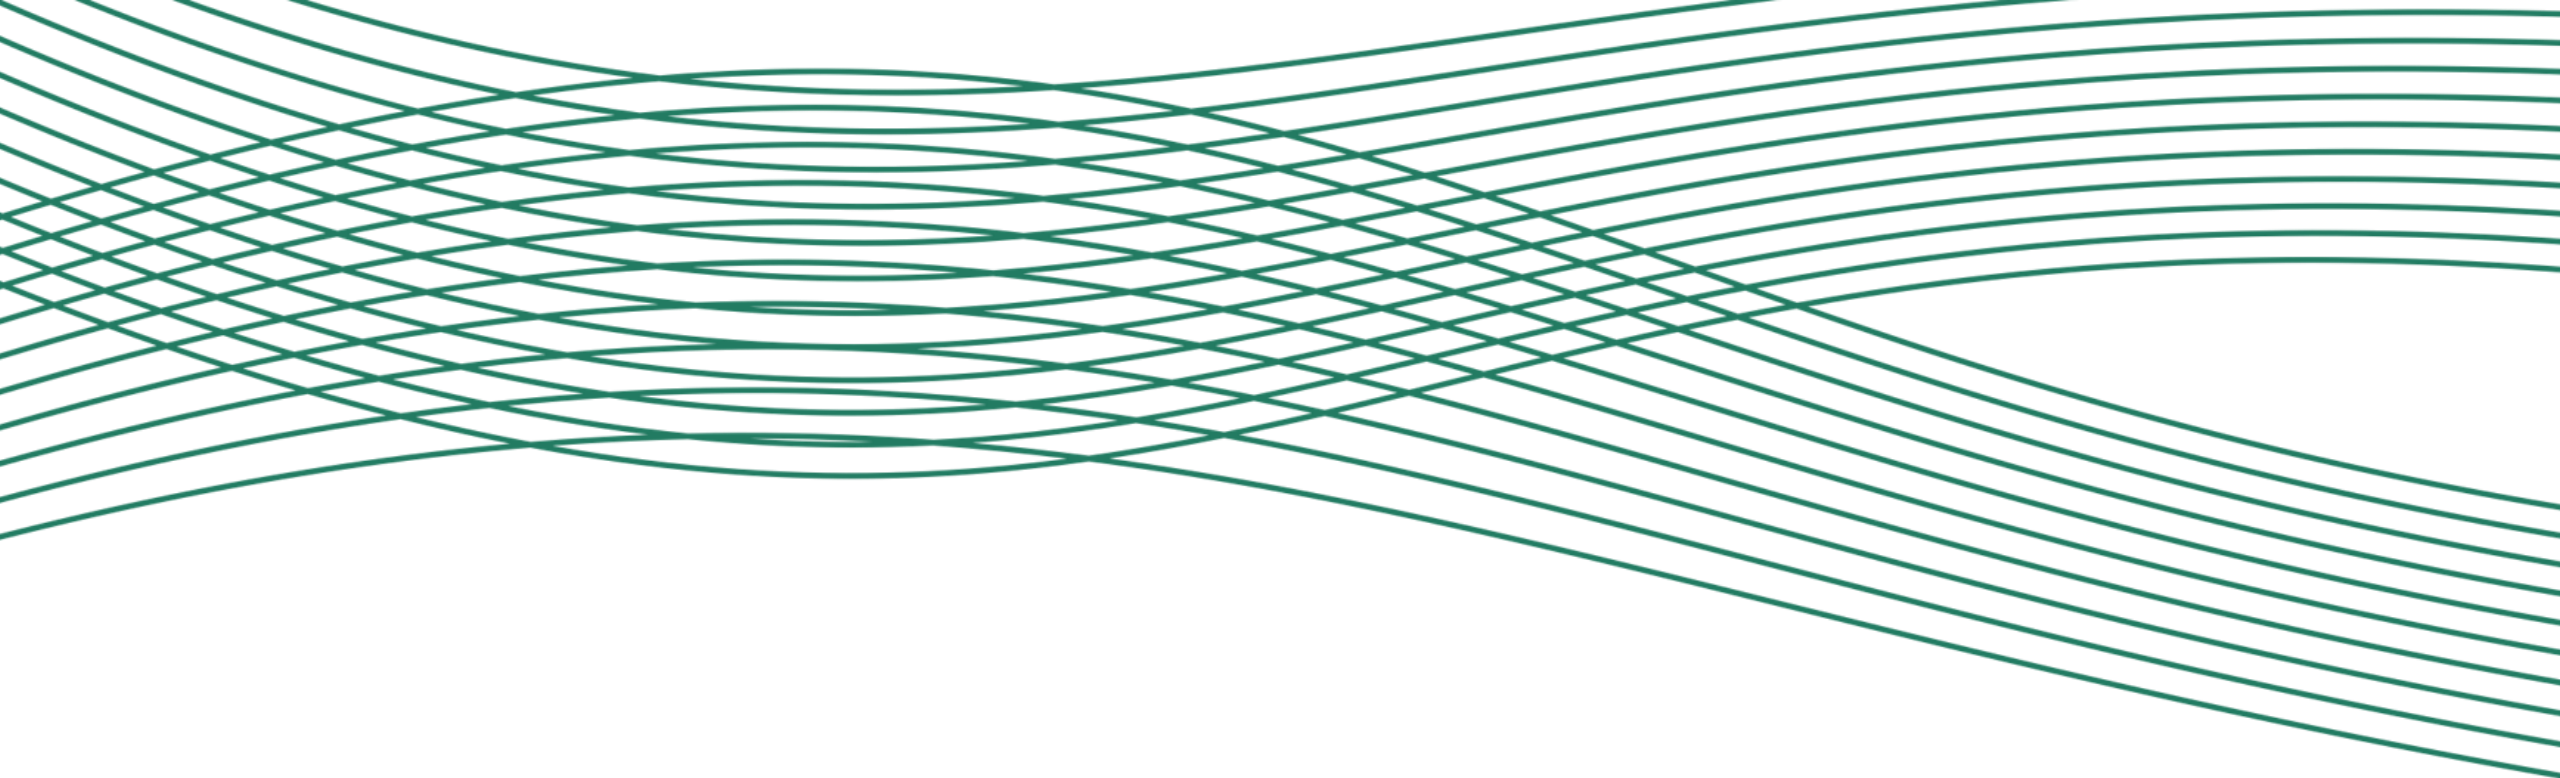

**What if...**

...we integrate  
sustainable  
development goals?

**What if...**

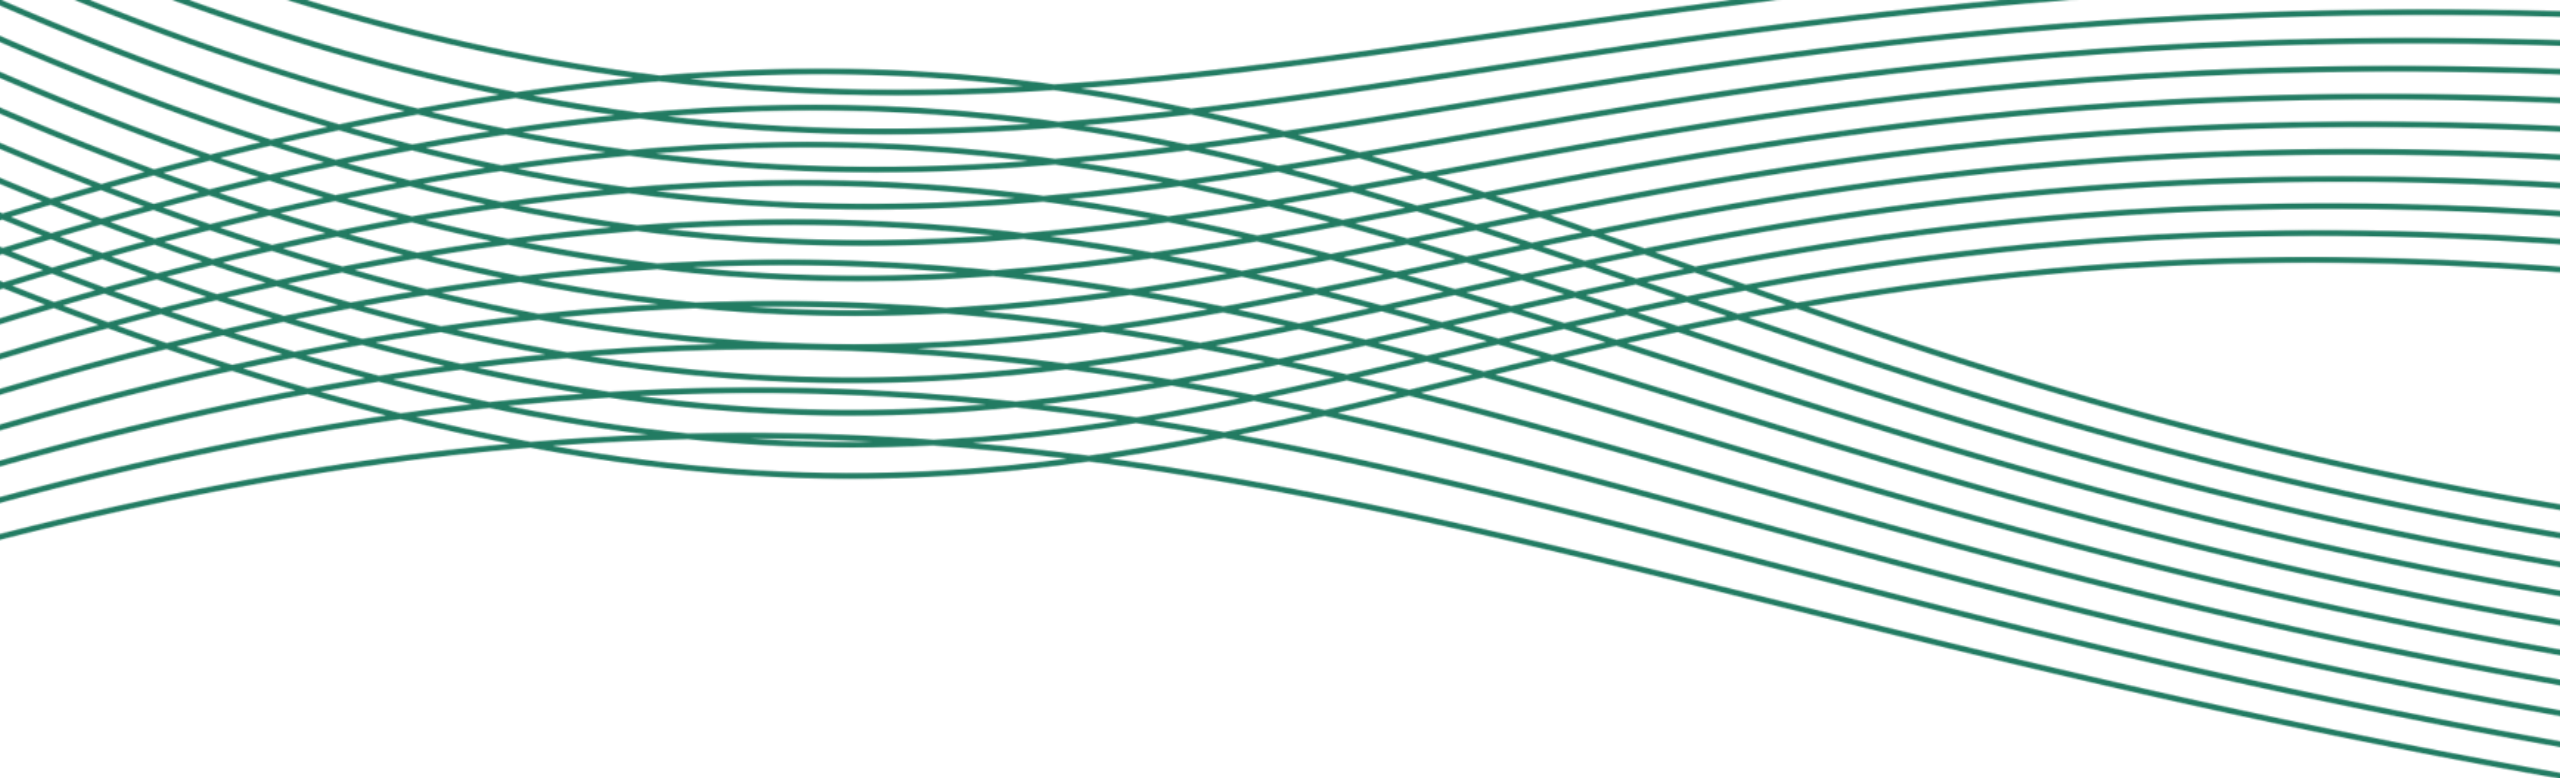

...we embed sustainability  
practices into every aspect  
of the educational  
curriculum?

**What if...**

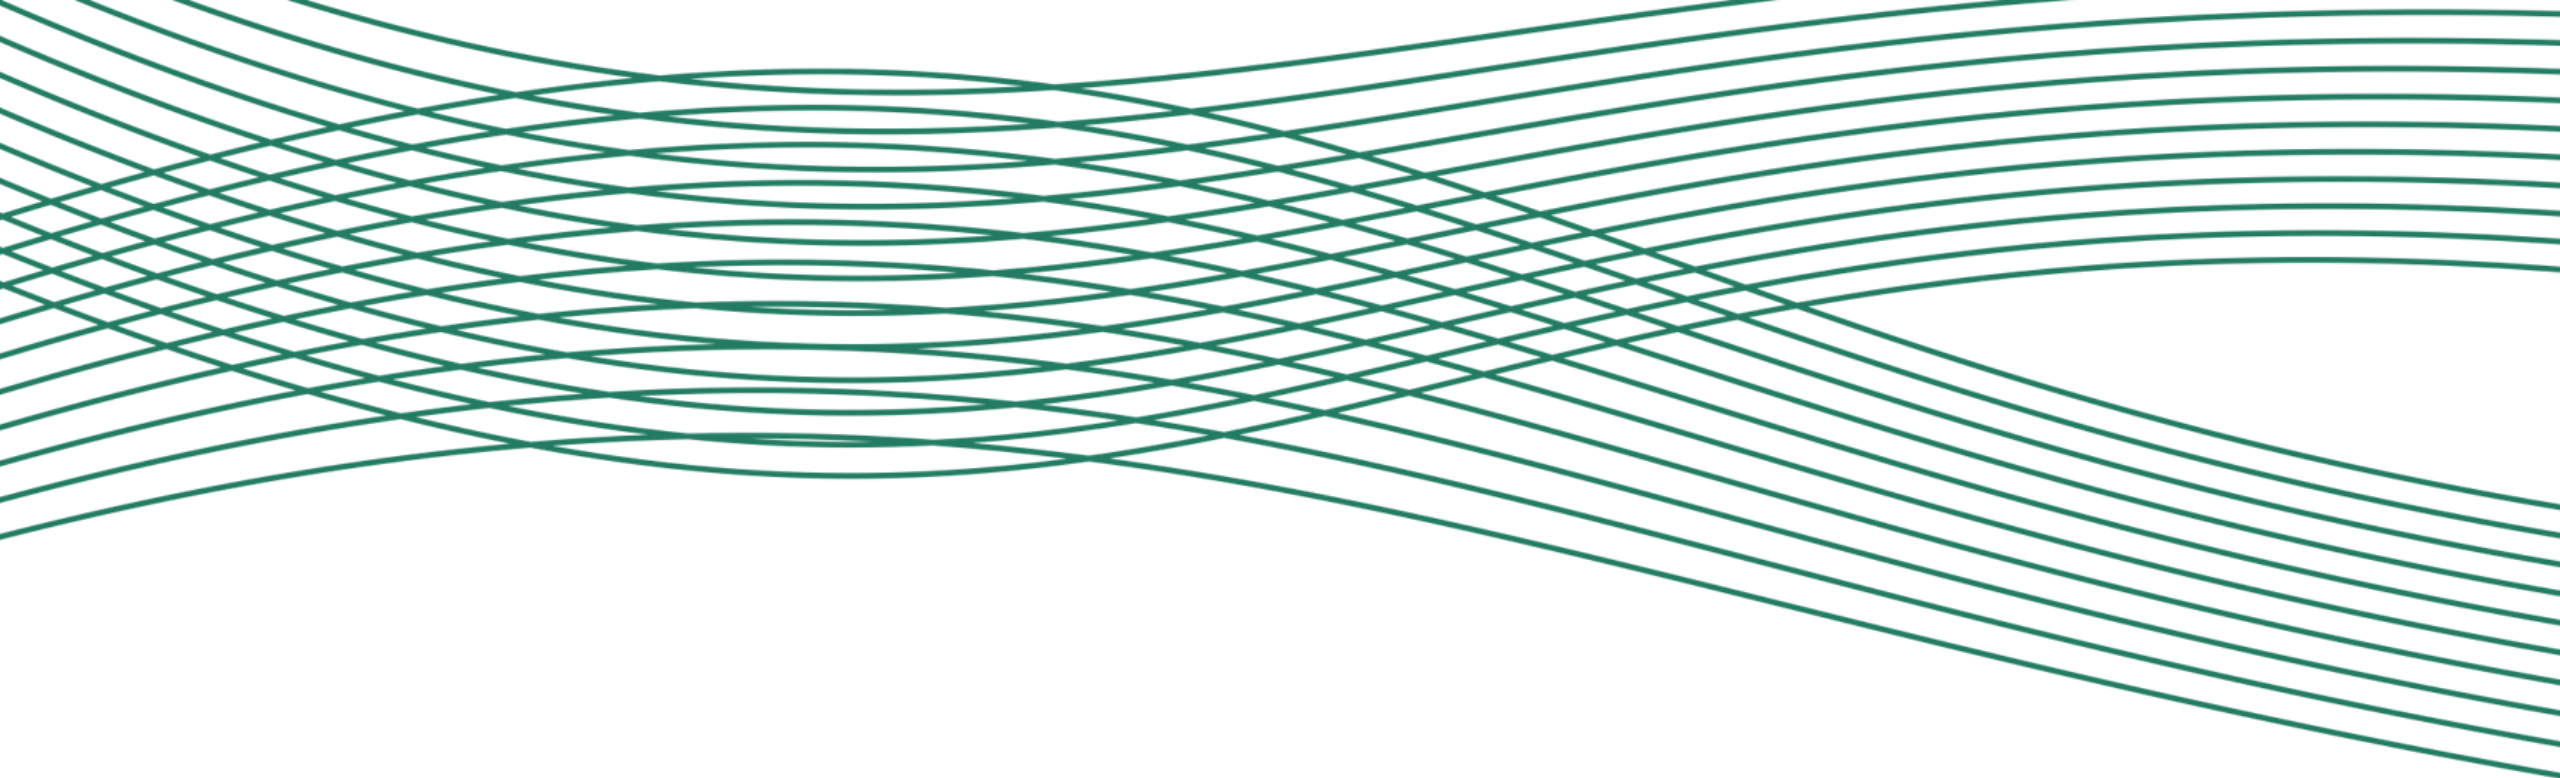

...we prioritise real-  
world concerns in  
education?

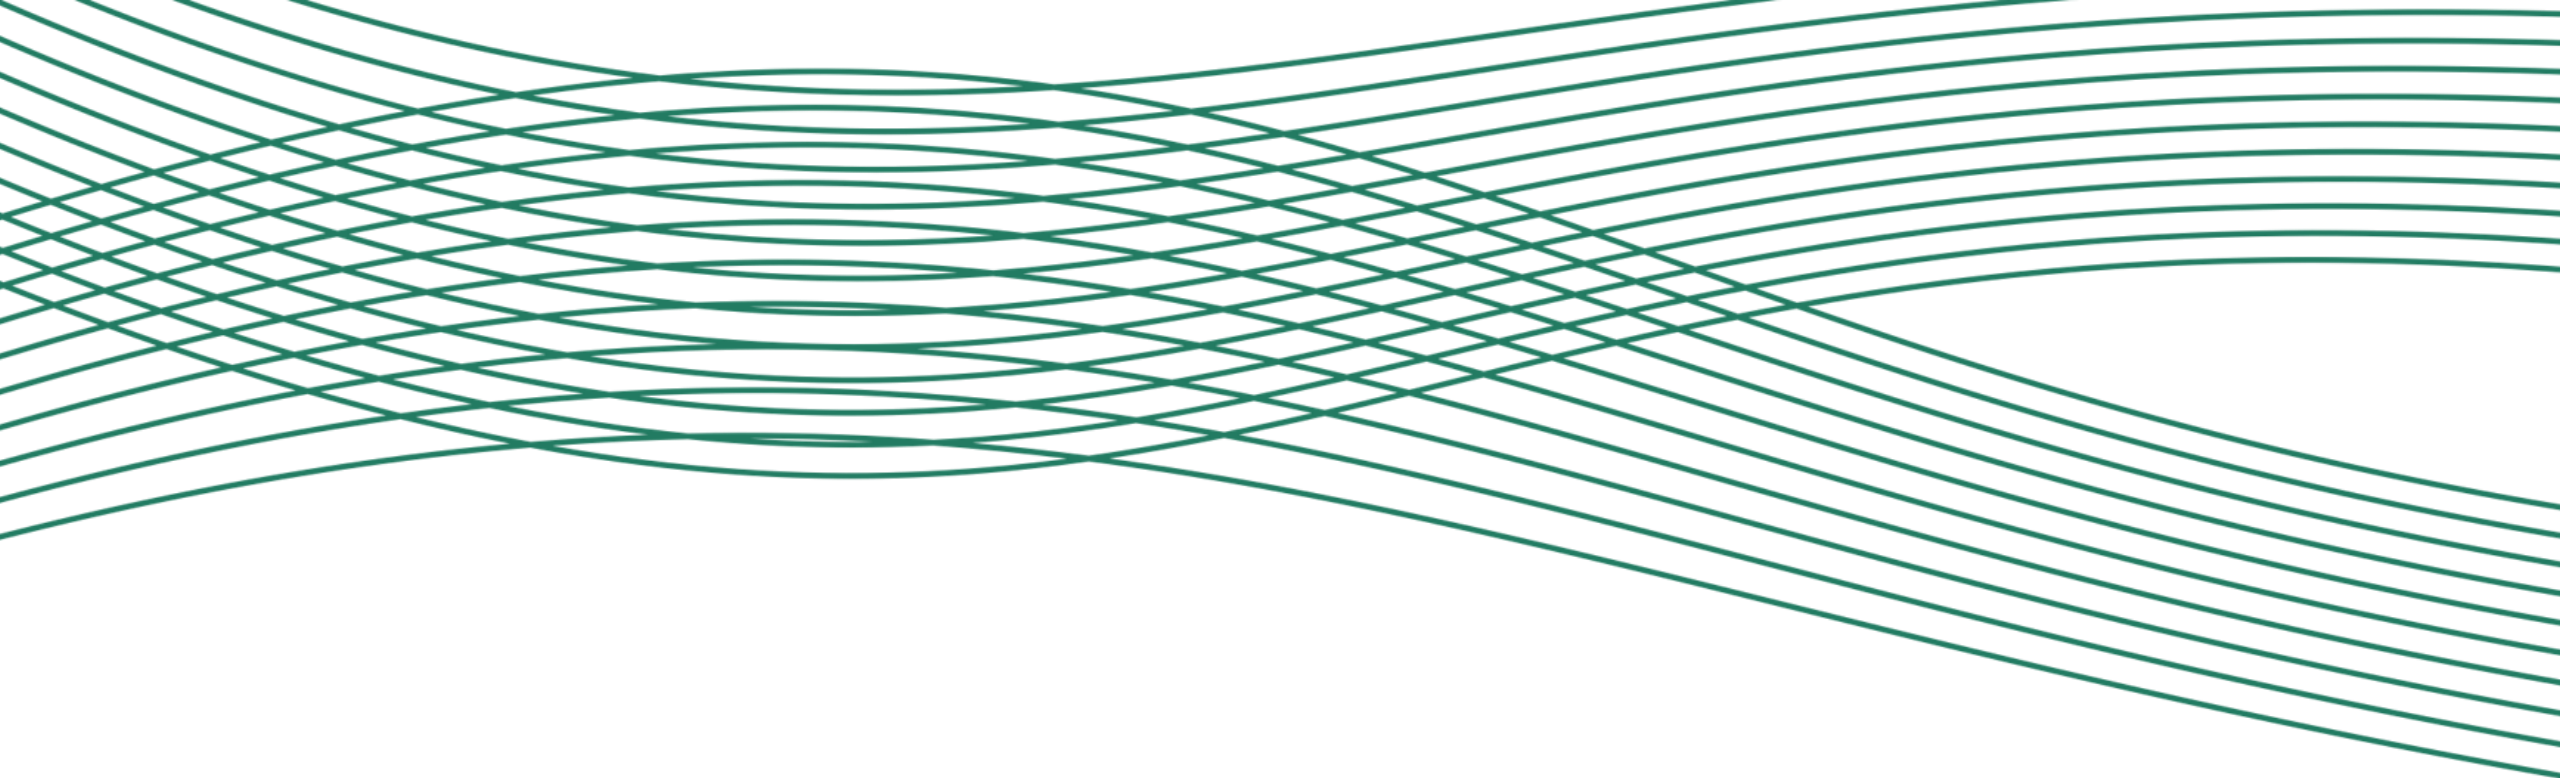

**What if...**

...we focus on  
cultivating empathy  
in students?

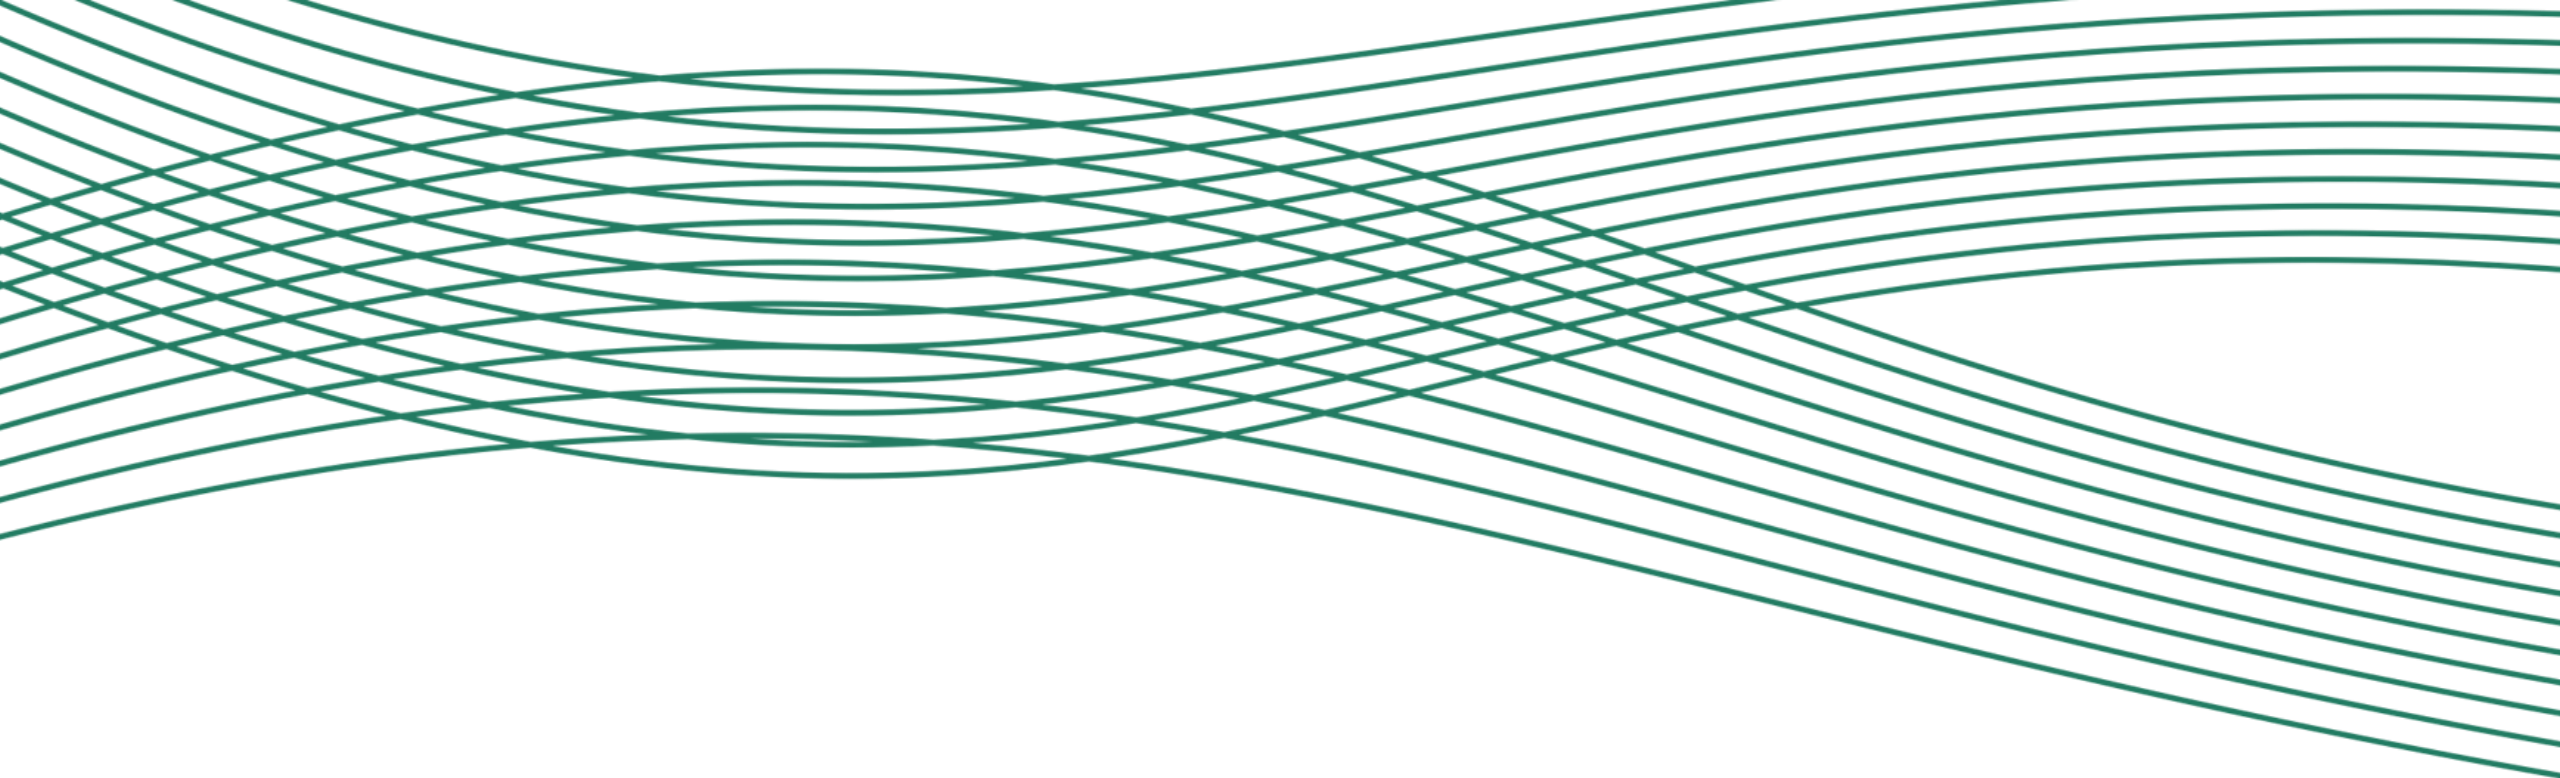

**What if...**

...we teach conflict  
resolution and  
communication skills to  
promote empathy and  
understanding?

**What if...**

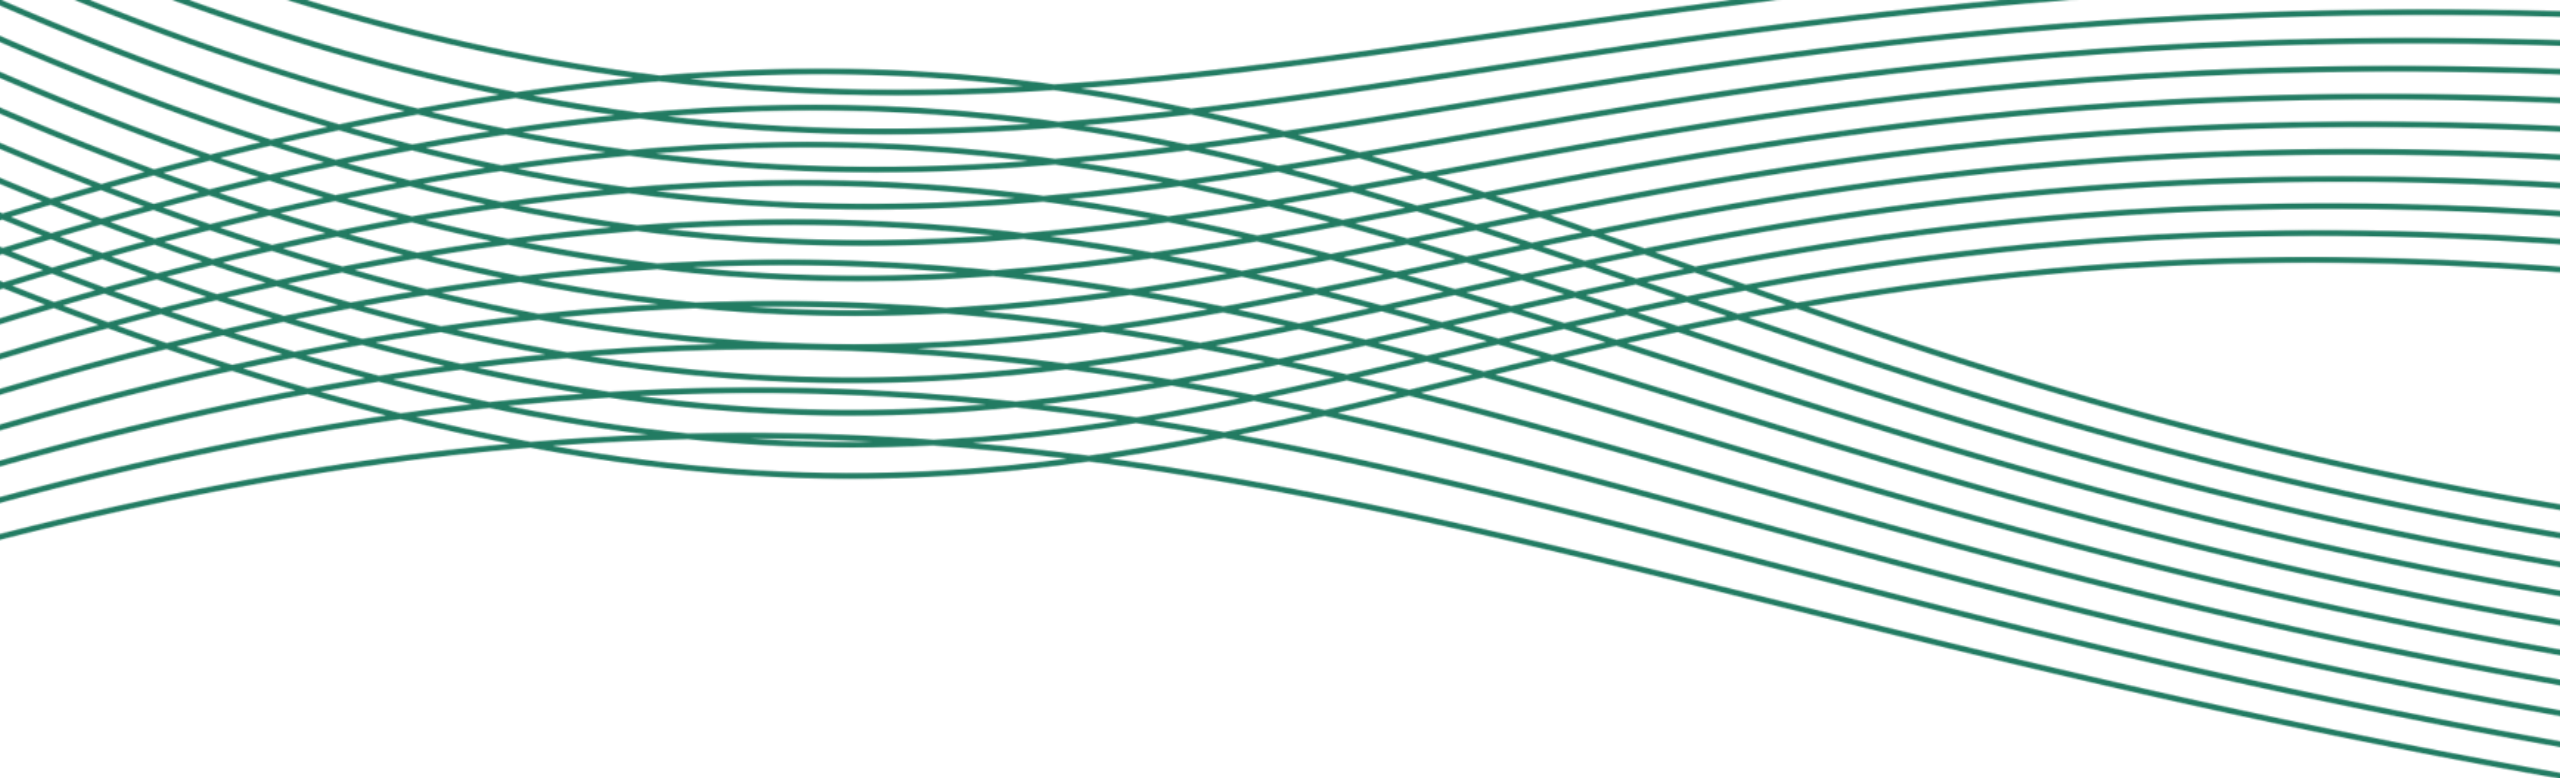

...we embrace  
diverse learning  
styles and abilities?

**What if...**

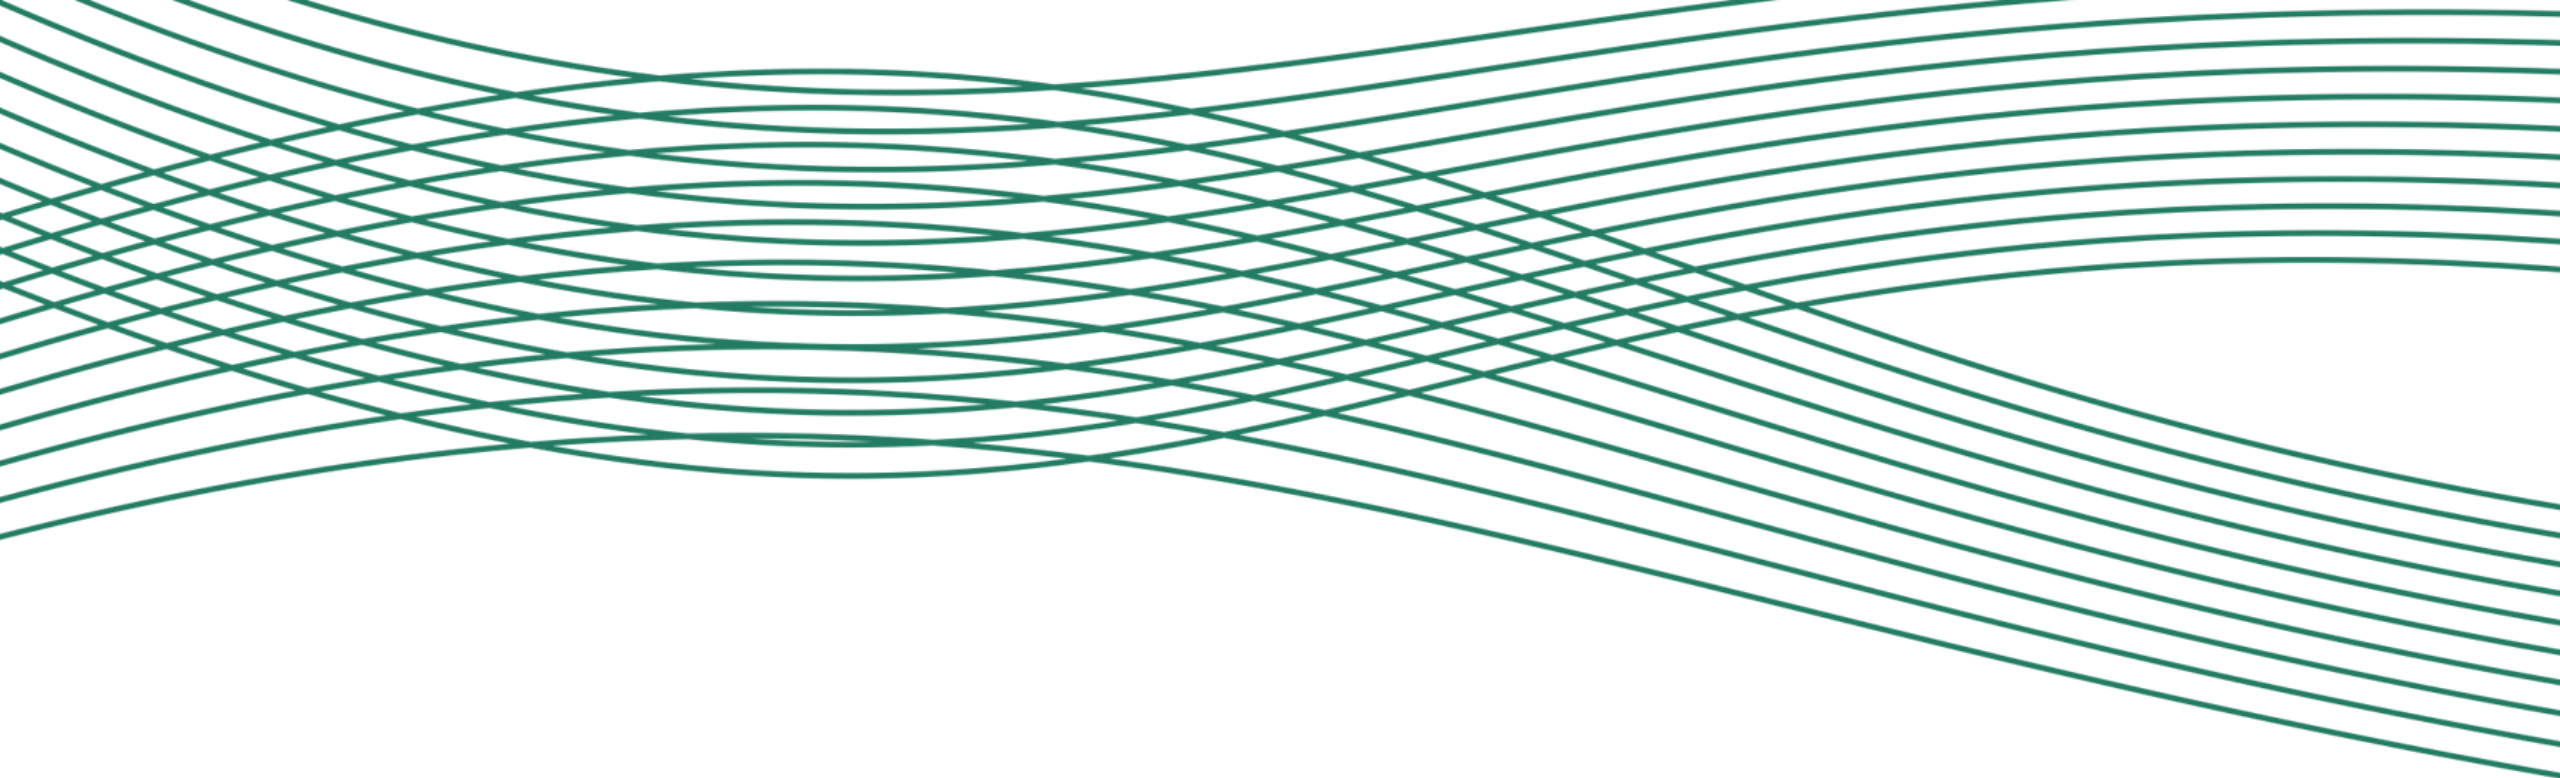

...we prioritise real-  
world concerns in  
education?

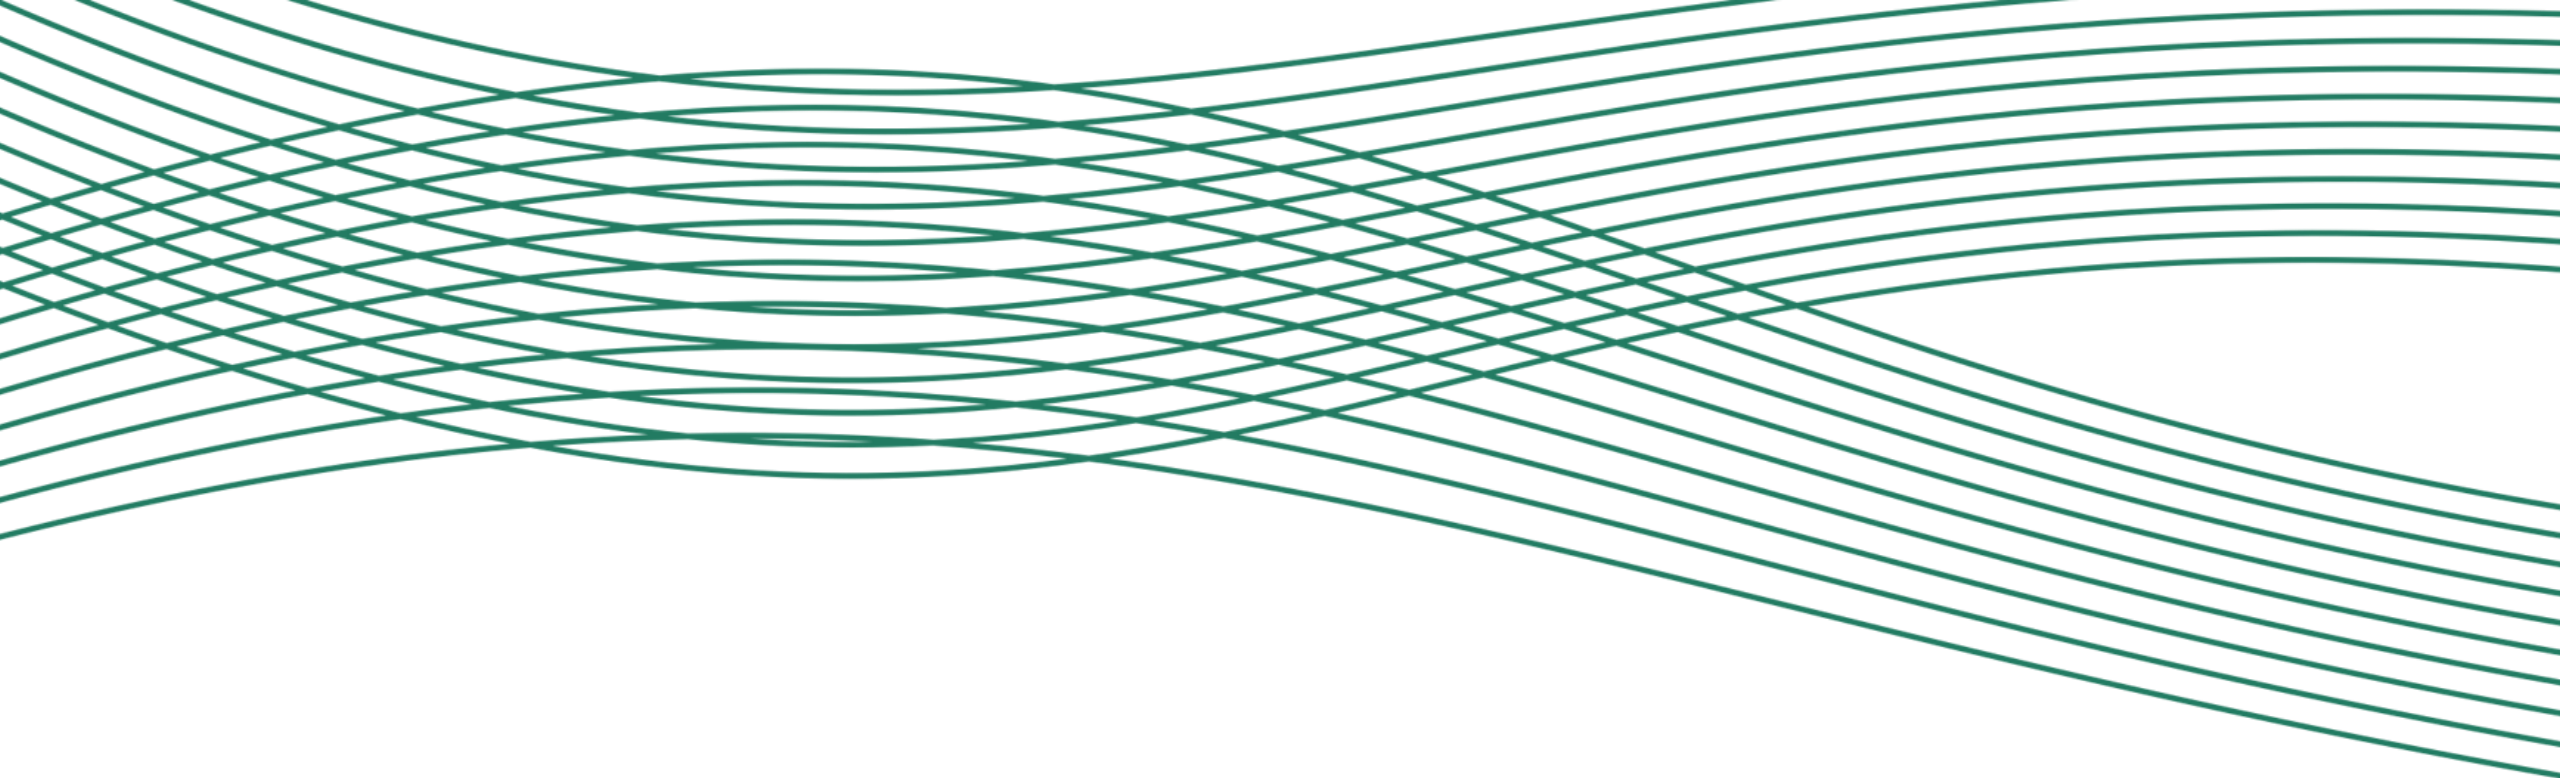

**What if...**

...we redefine success in  
education beyond grades  
and standardised tests?

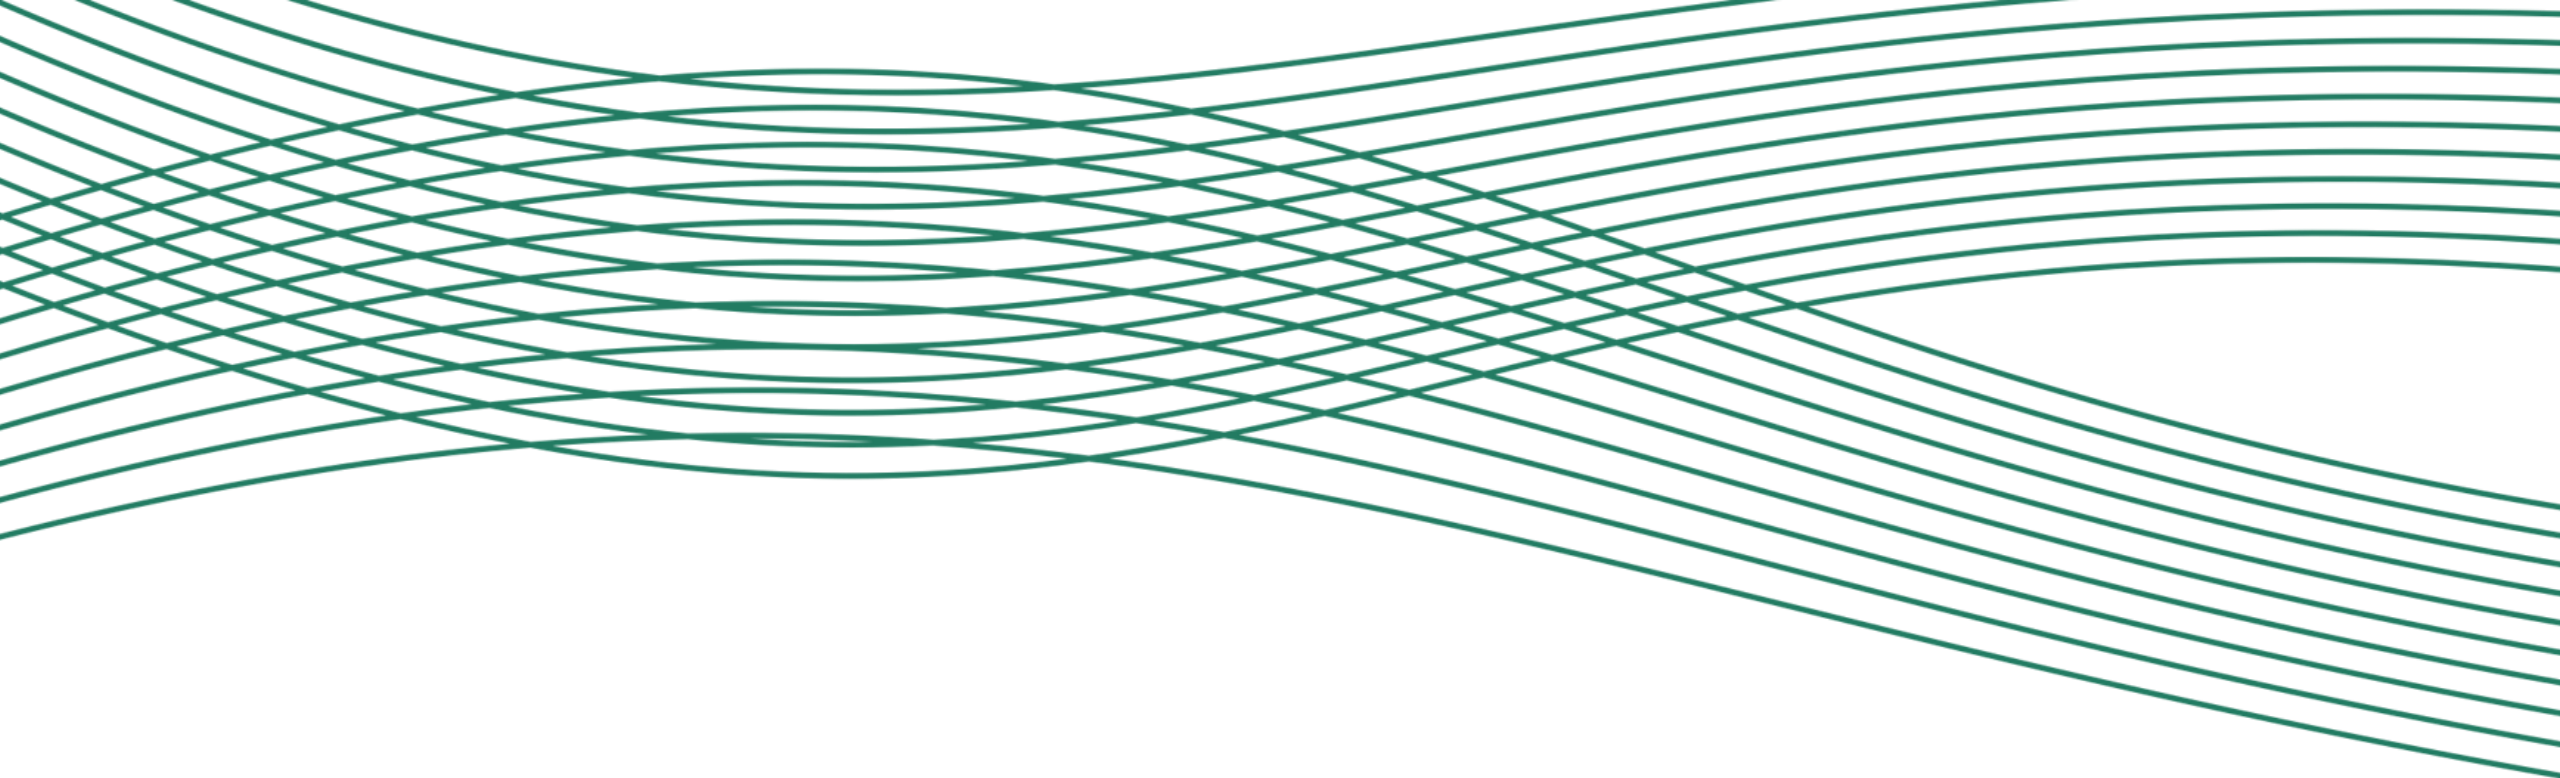

**What if...**

...we measure success in  
education based on  
personal growth,  
resilience, and  
adaptability?

**What if...**

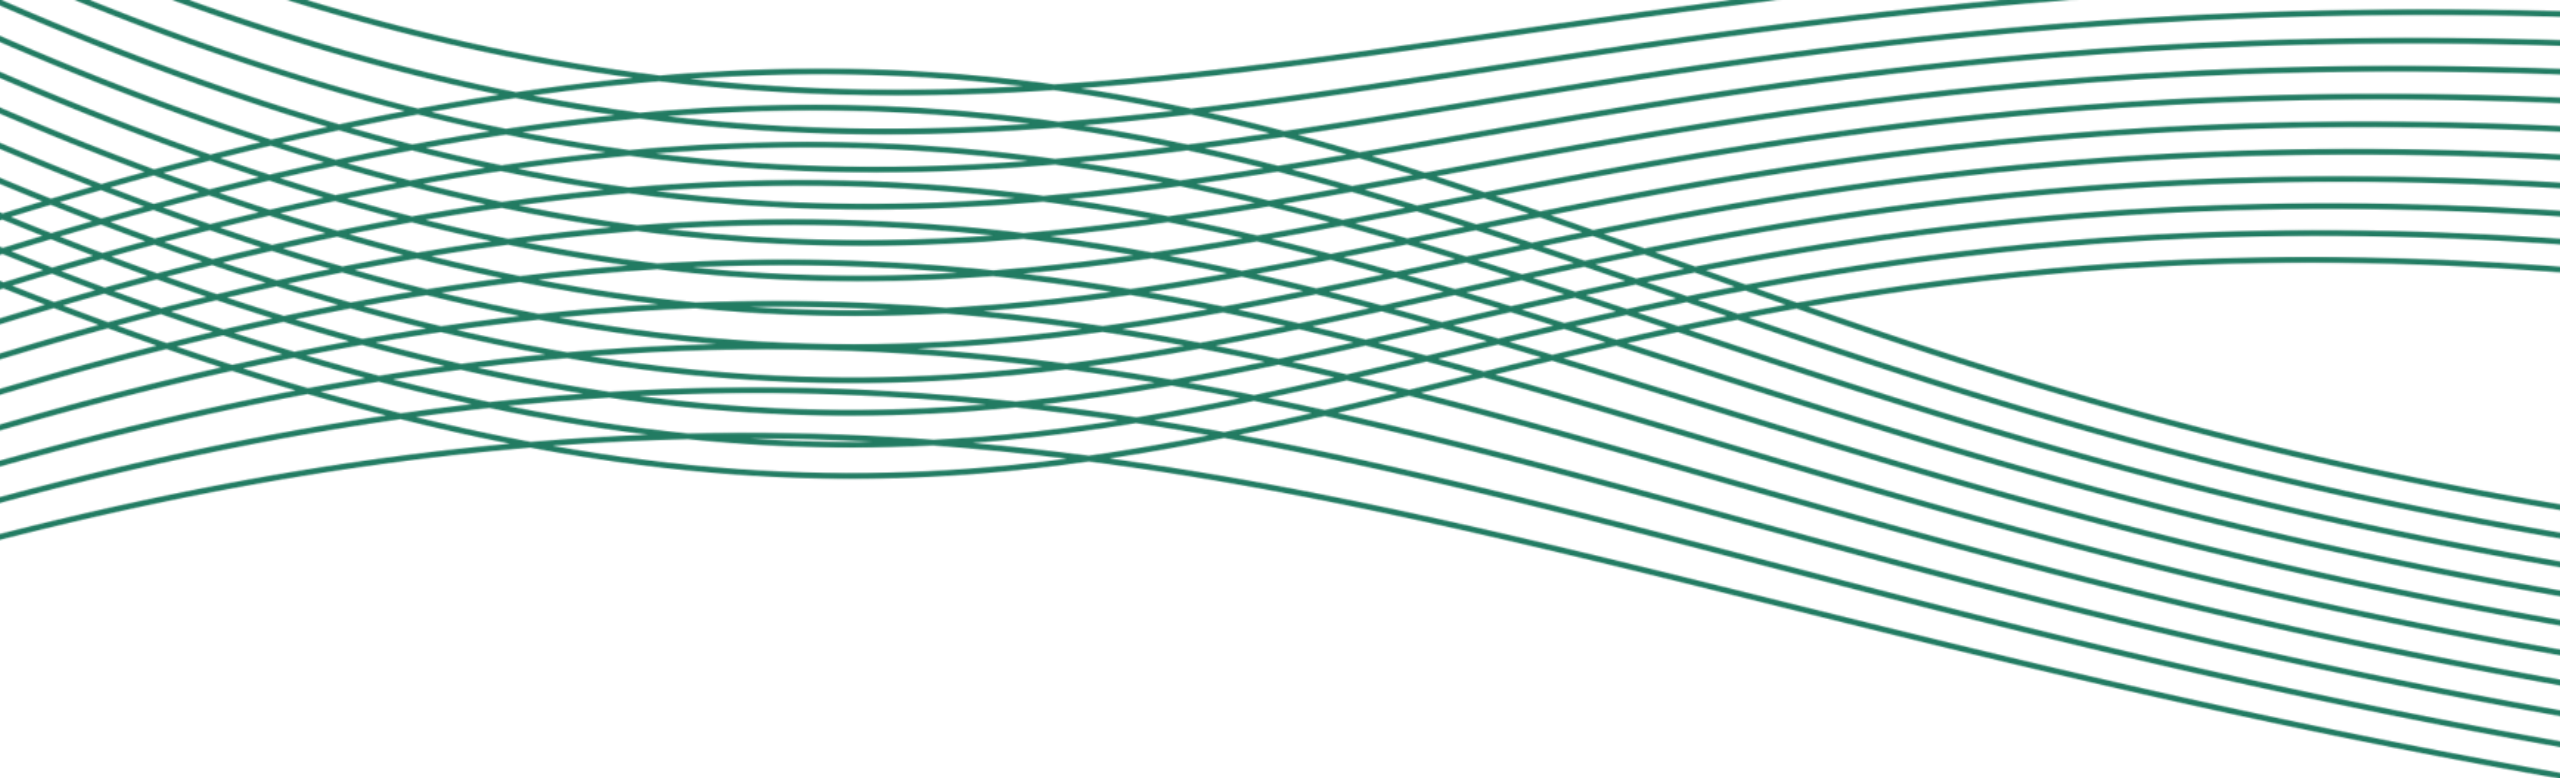

...we prioritise real-  
world concerns in  
education?

**What if...**

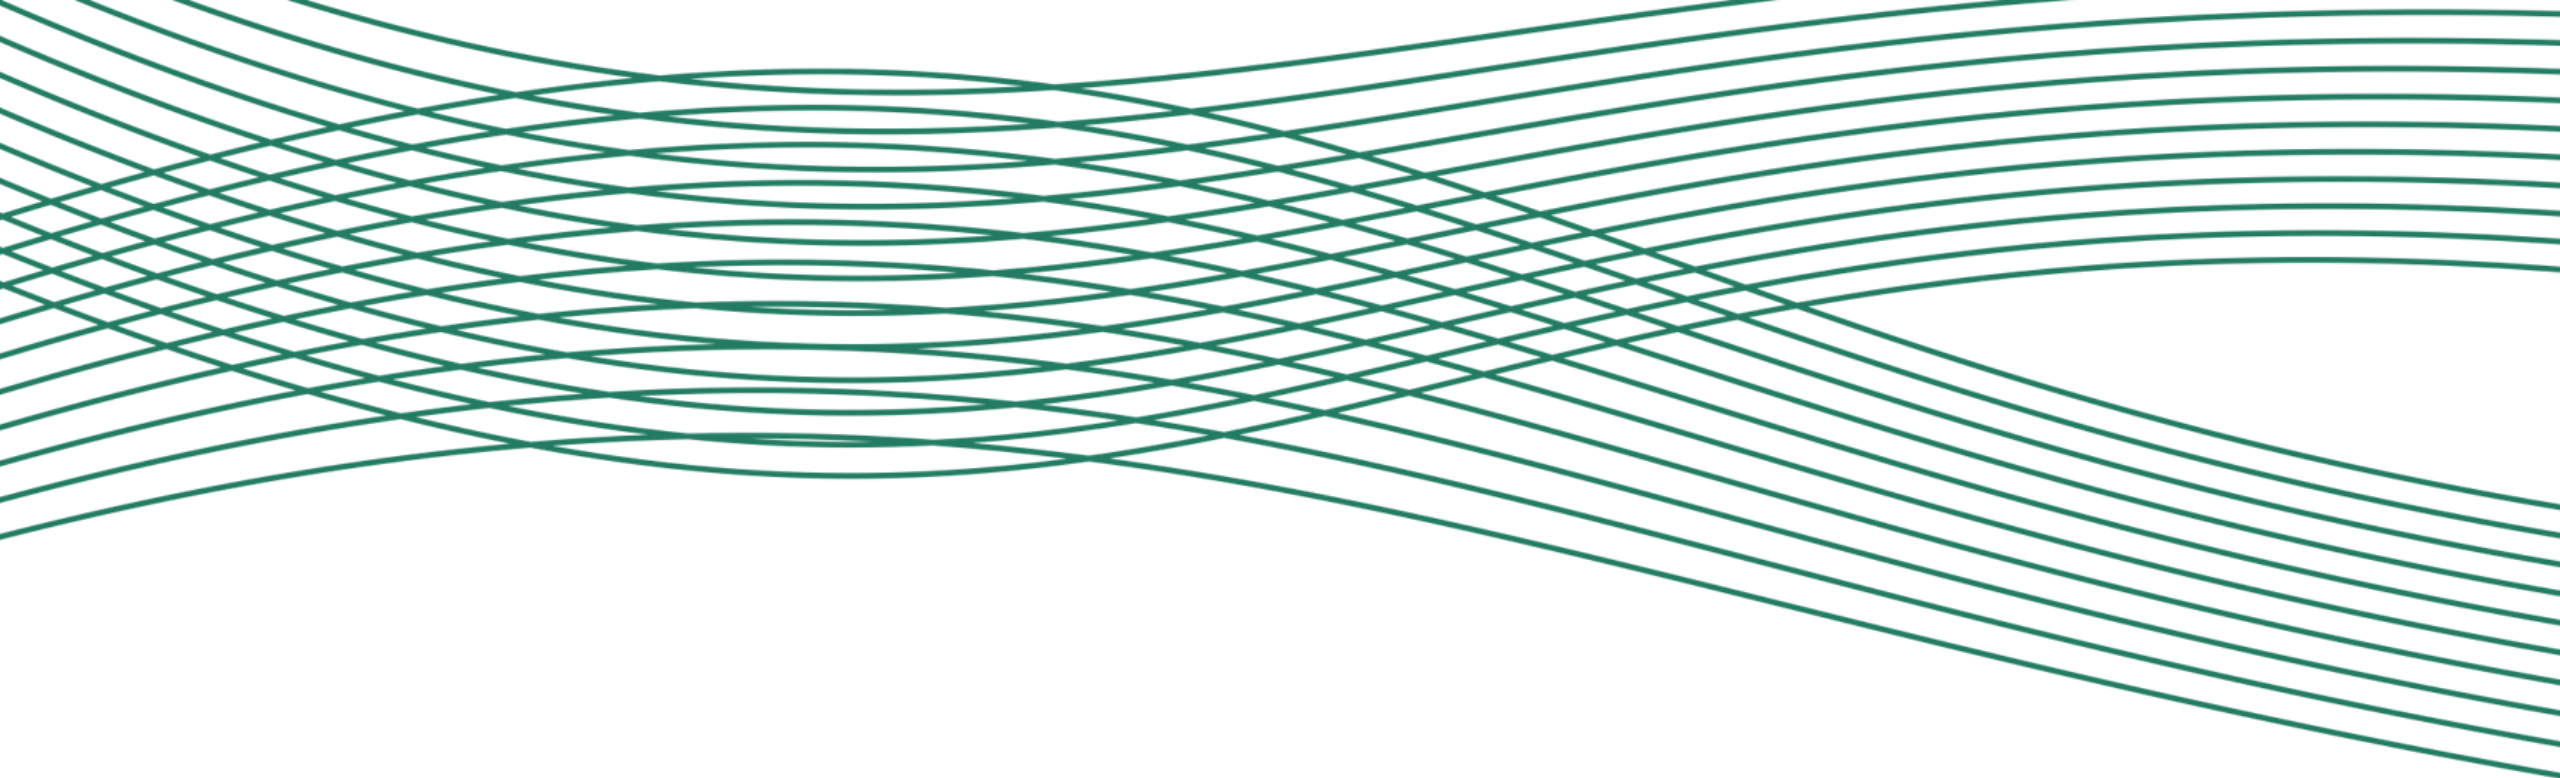

...we prioritise lifelong  
learning over traditional  
educational milestones?

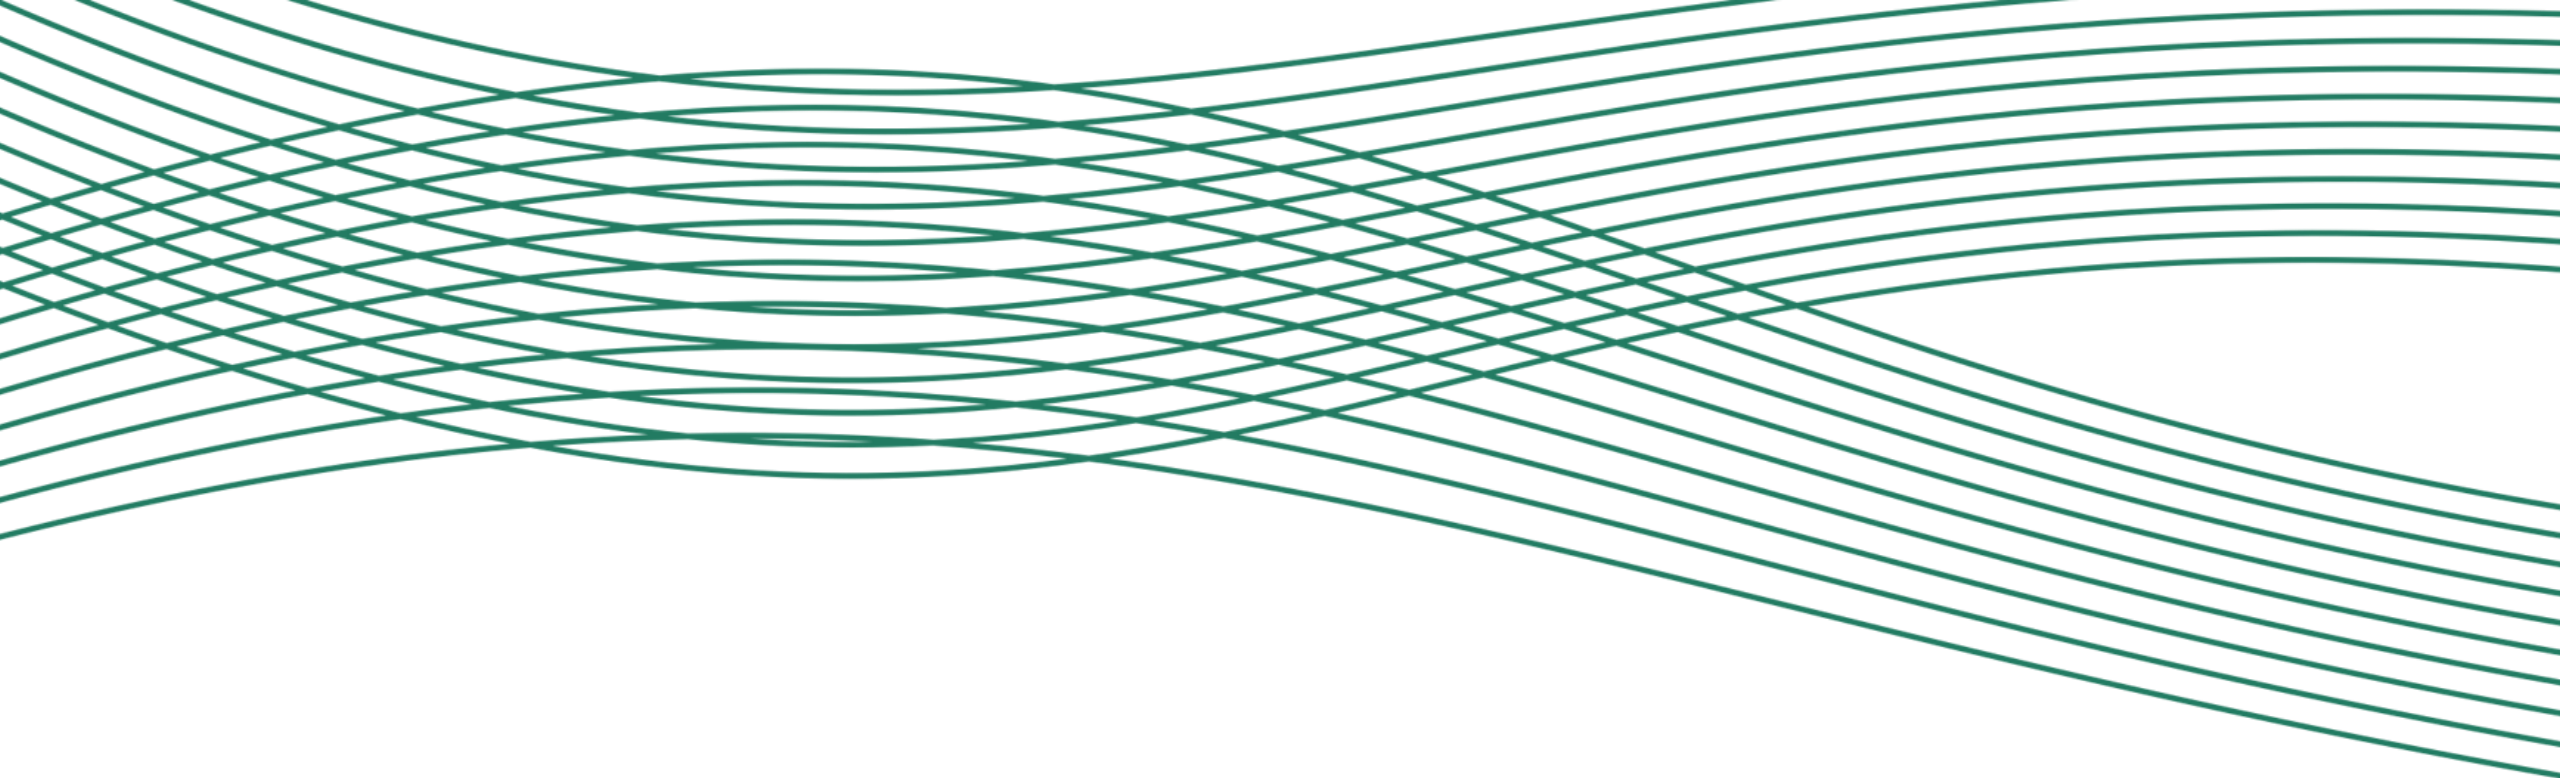

**What if...**

...we empower  
students to drive  
their own learning  
journeys?

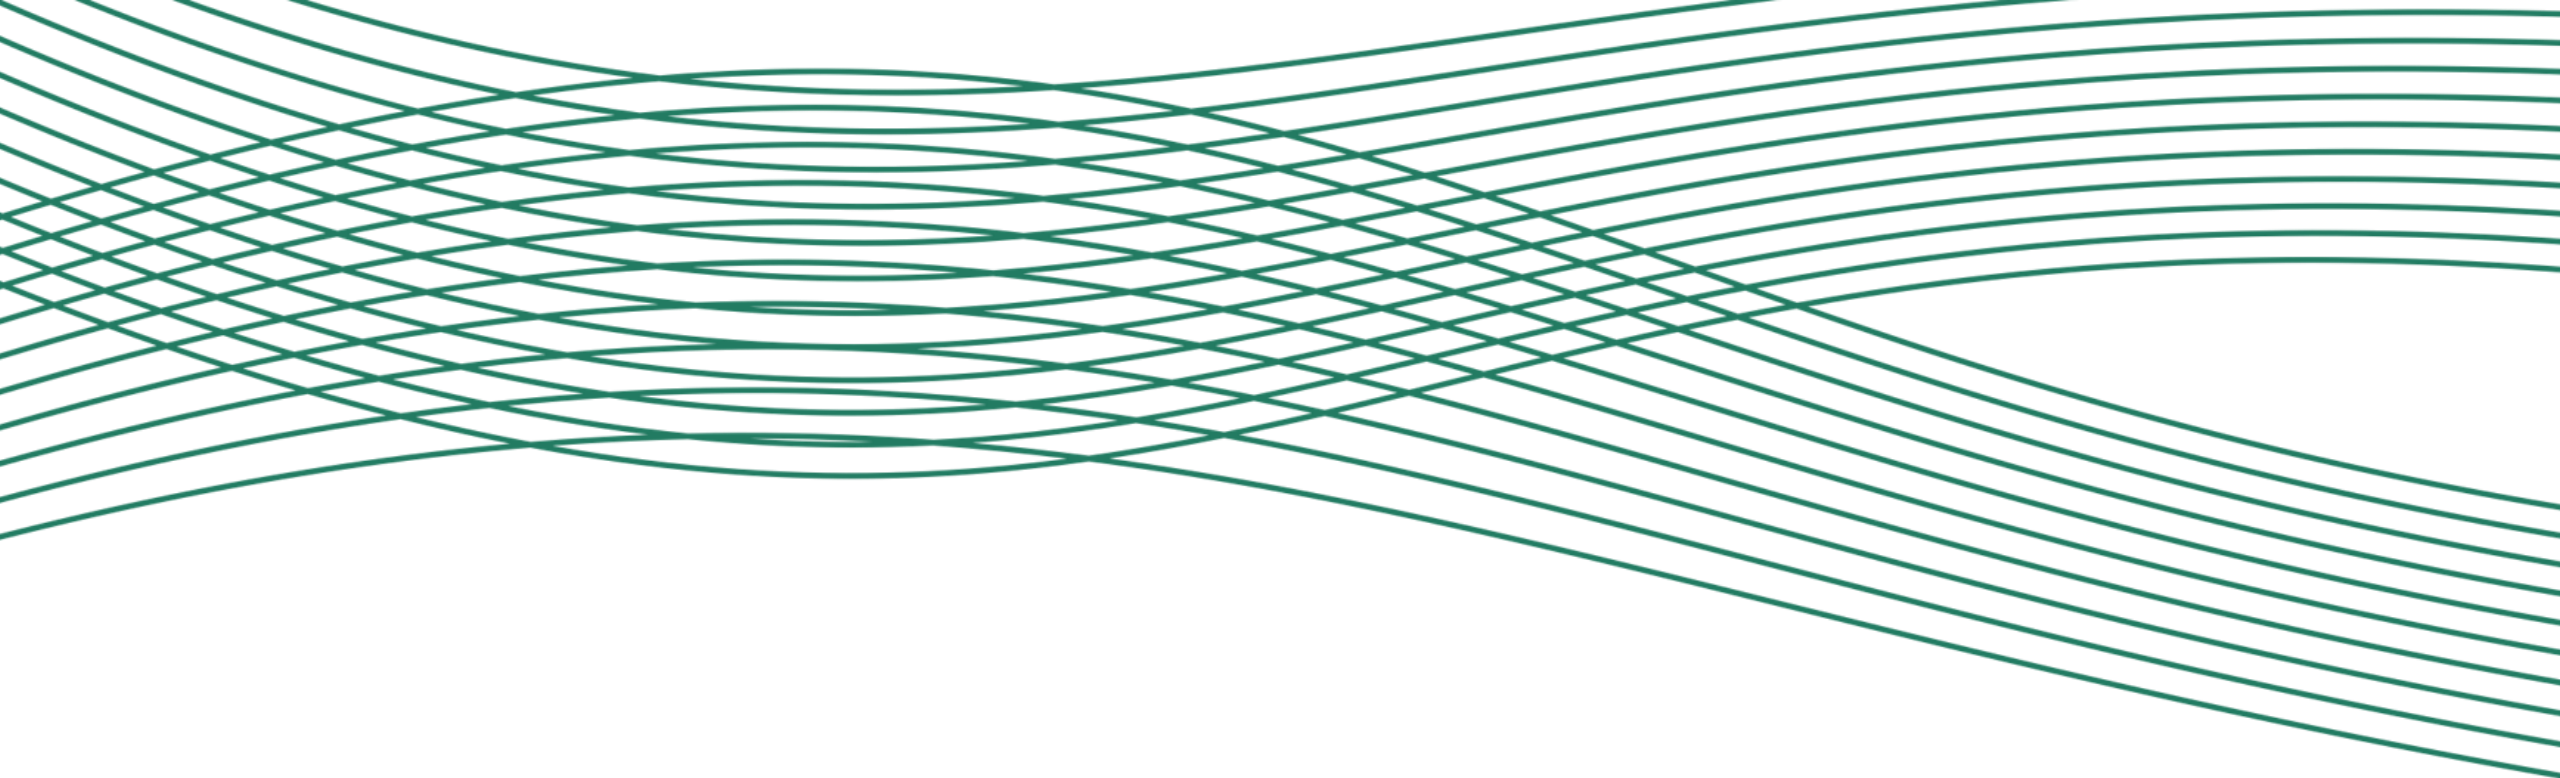

**What if...**

...we prioritise  
critical thinking and  
creativity over rote  
memorisation?

**What if...**

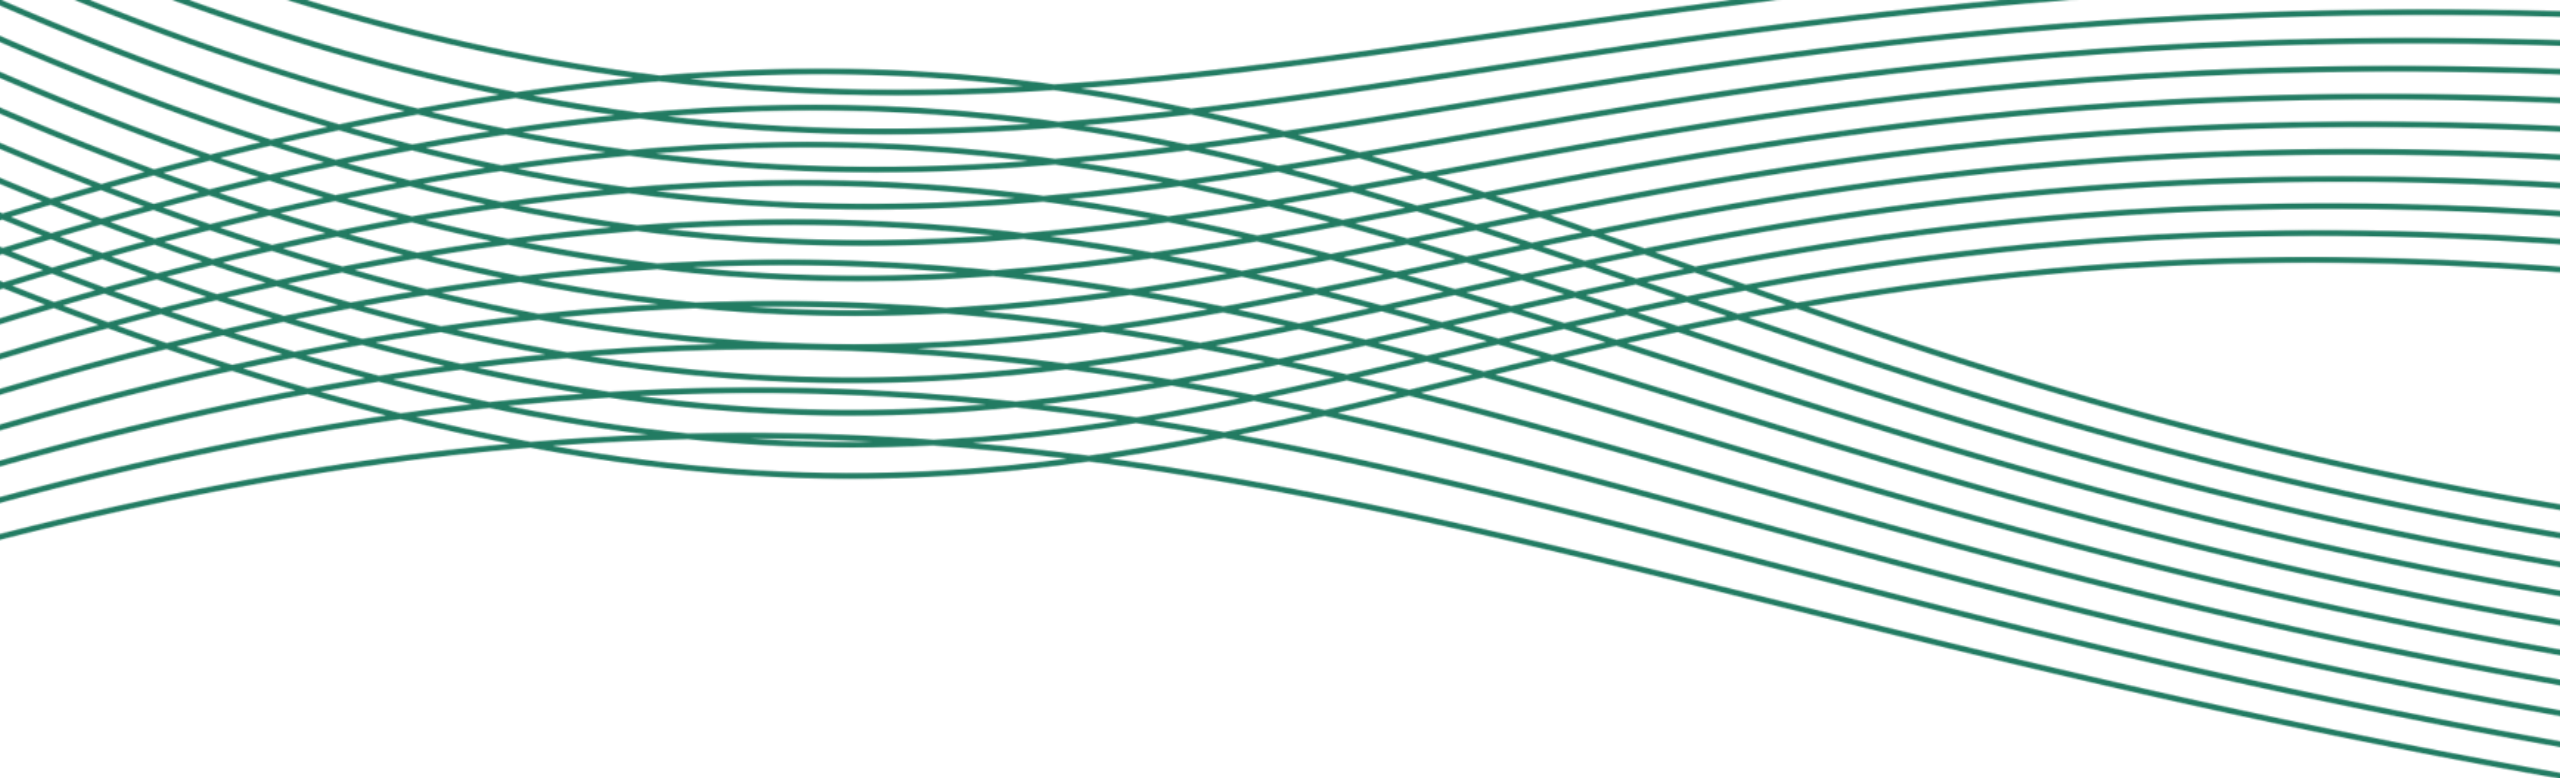

...we bridge the gap  
separating academia from  
society to create more  
pertinent educational  
experiences?

**What if...**

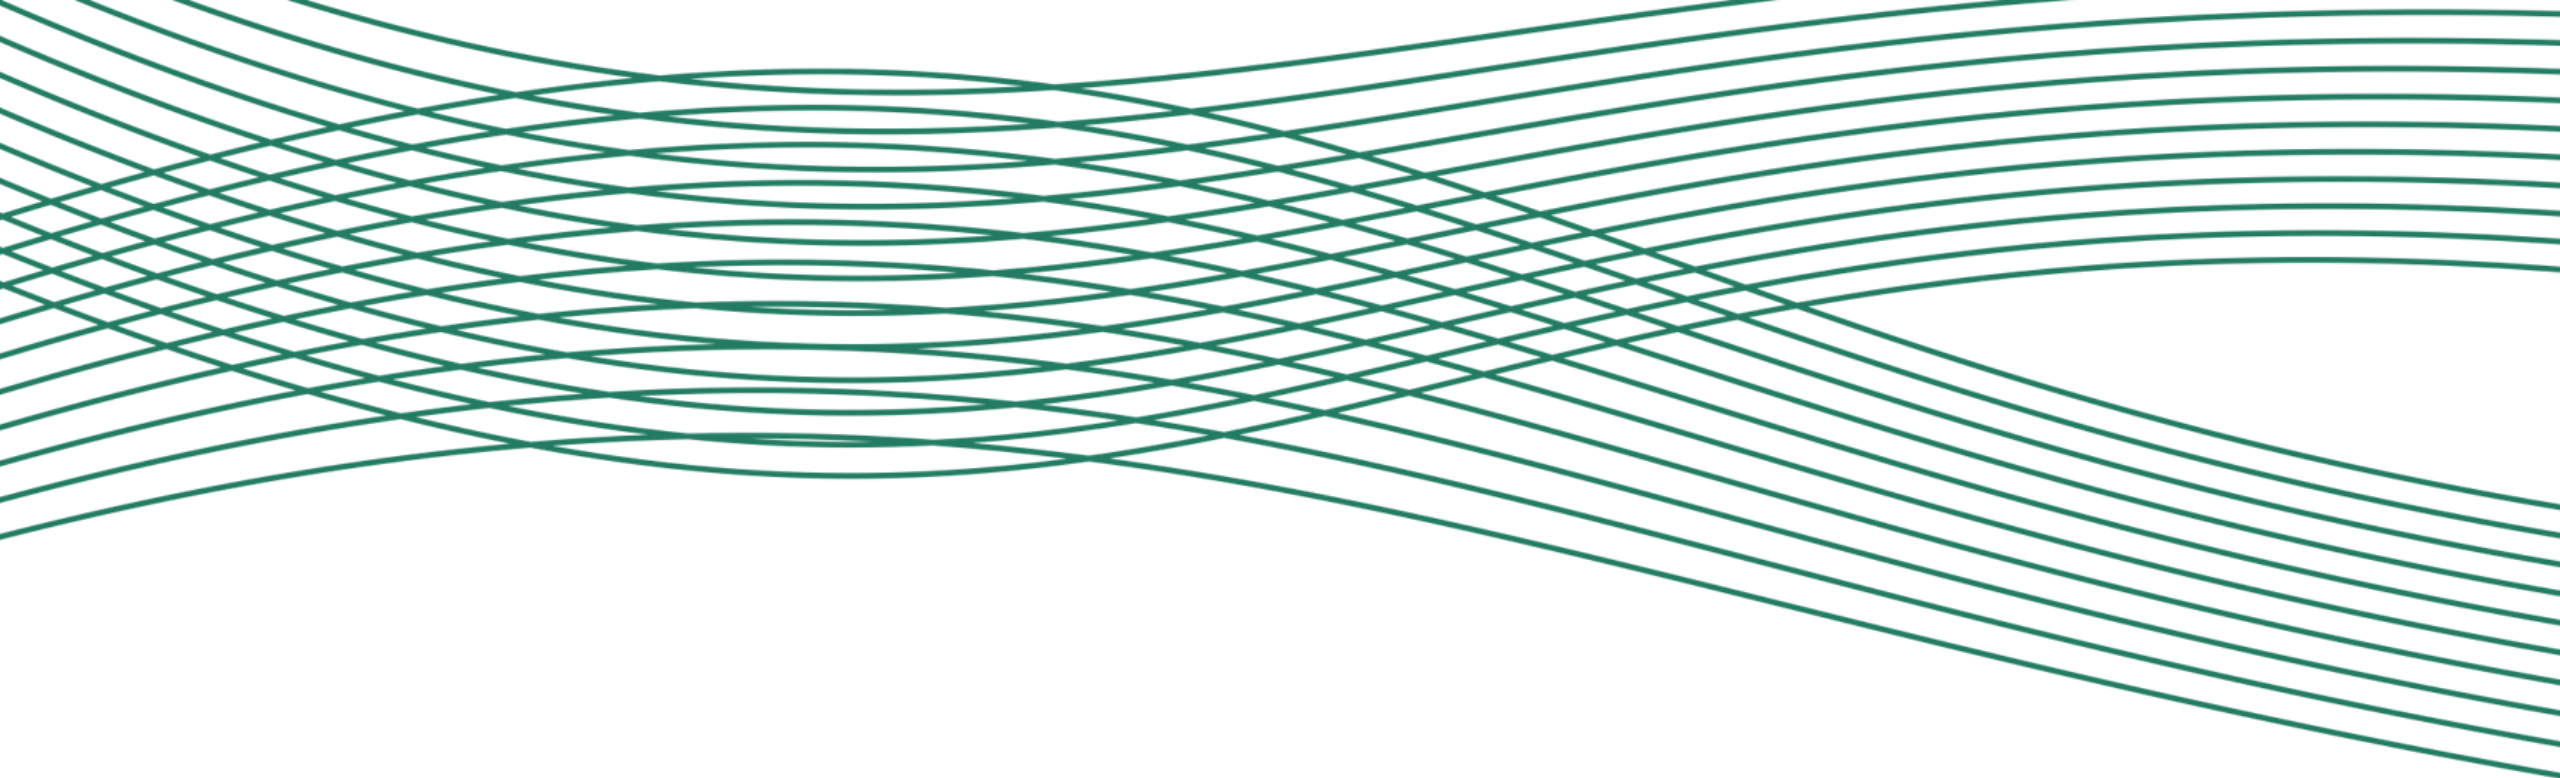

...we create educational  
frameworks that transcend  
traditional disciplinary  
boundaries?

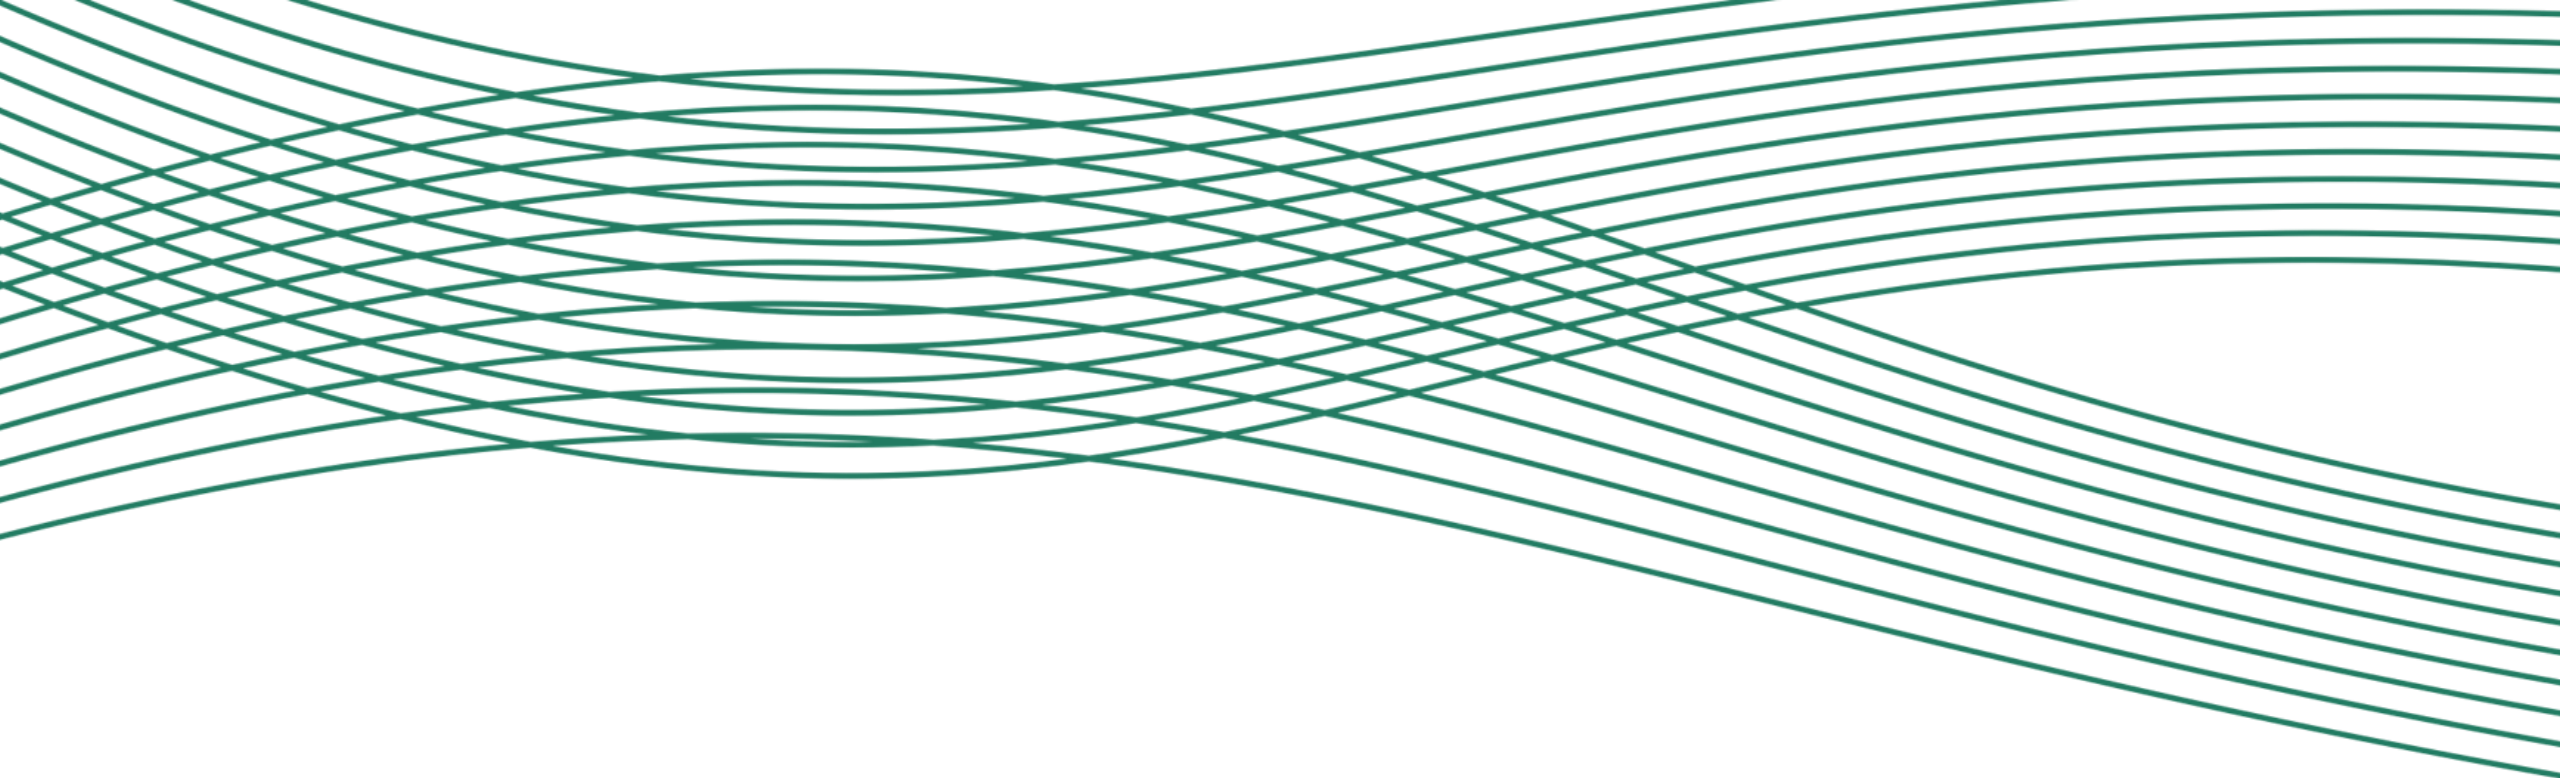

**What if...**

...education  
happens outside the  
classroom walls?

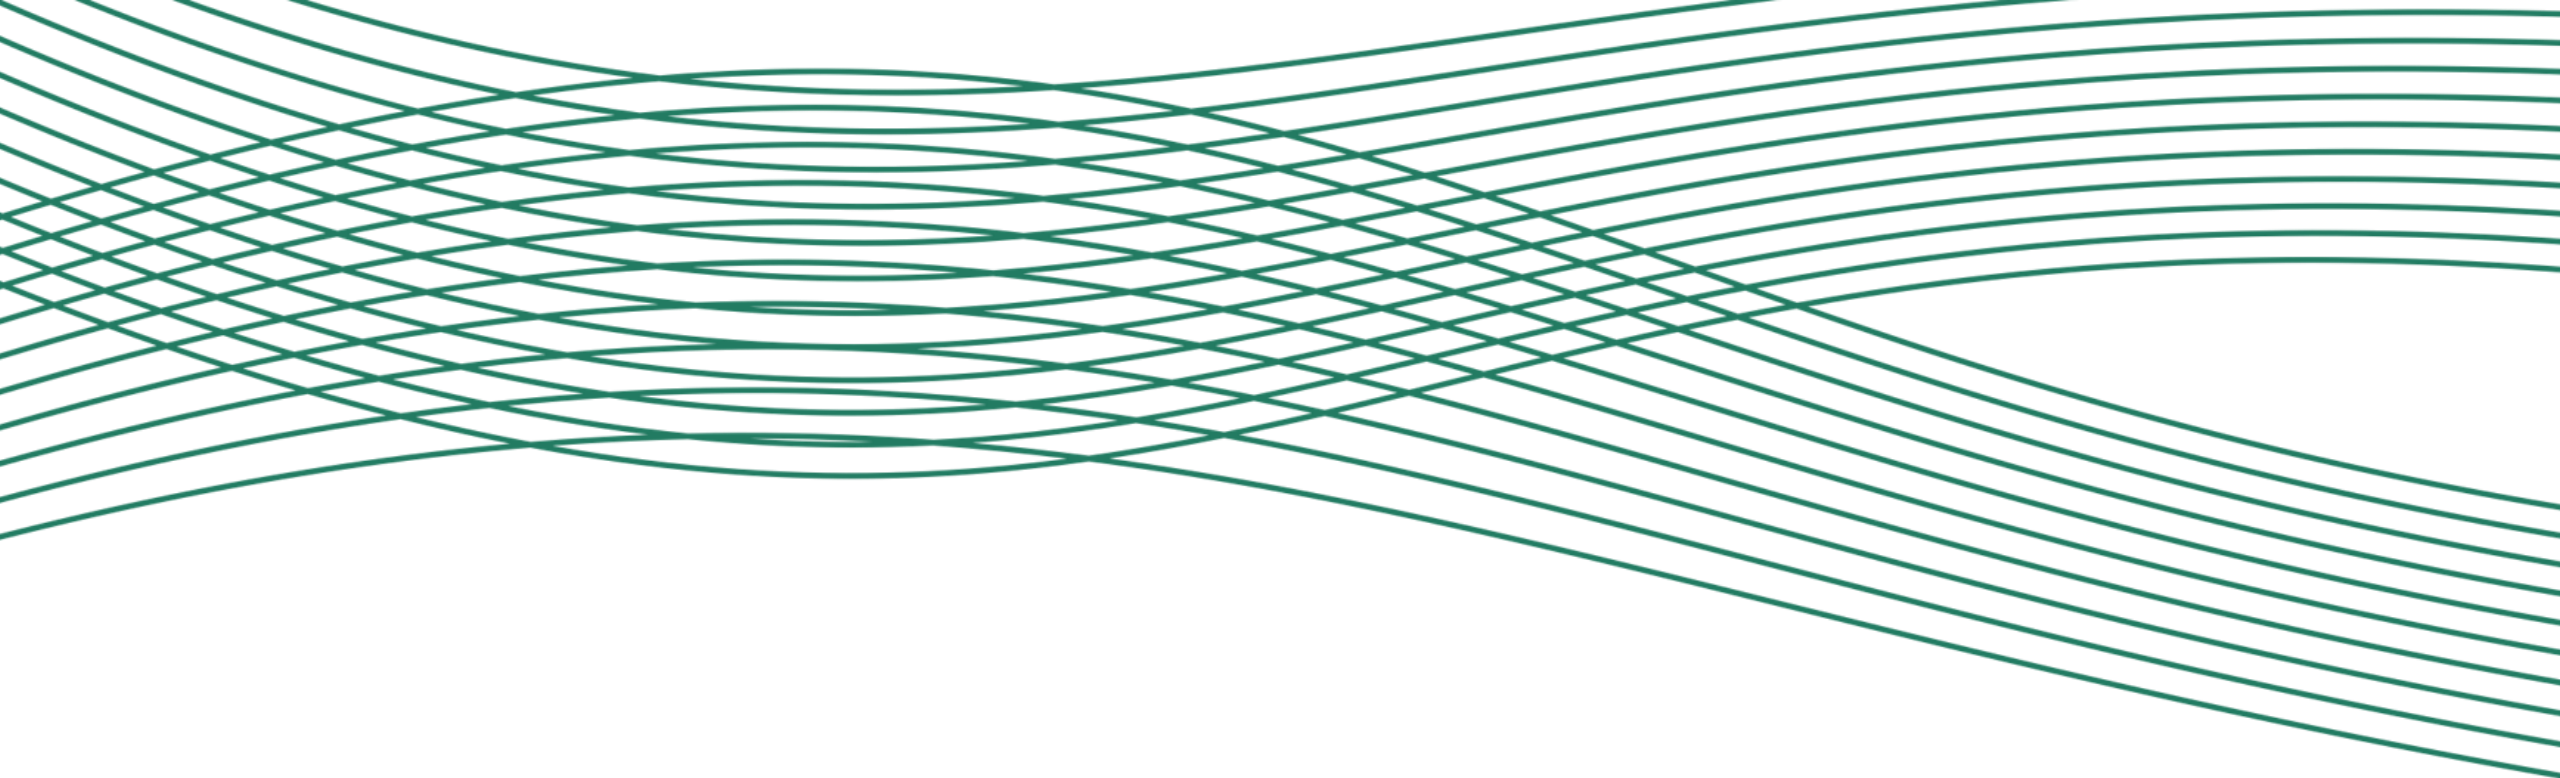

**What if...**

...we prioritise cultural  
competency and inclusion  
in all aspects of education?

**What if...**

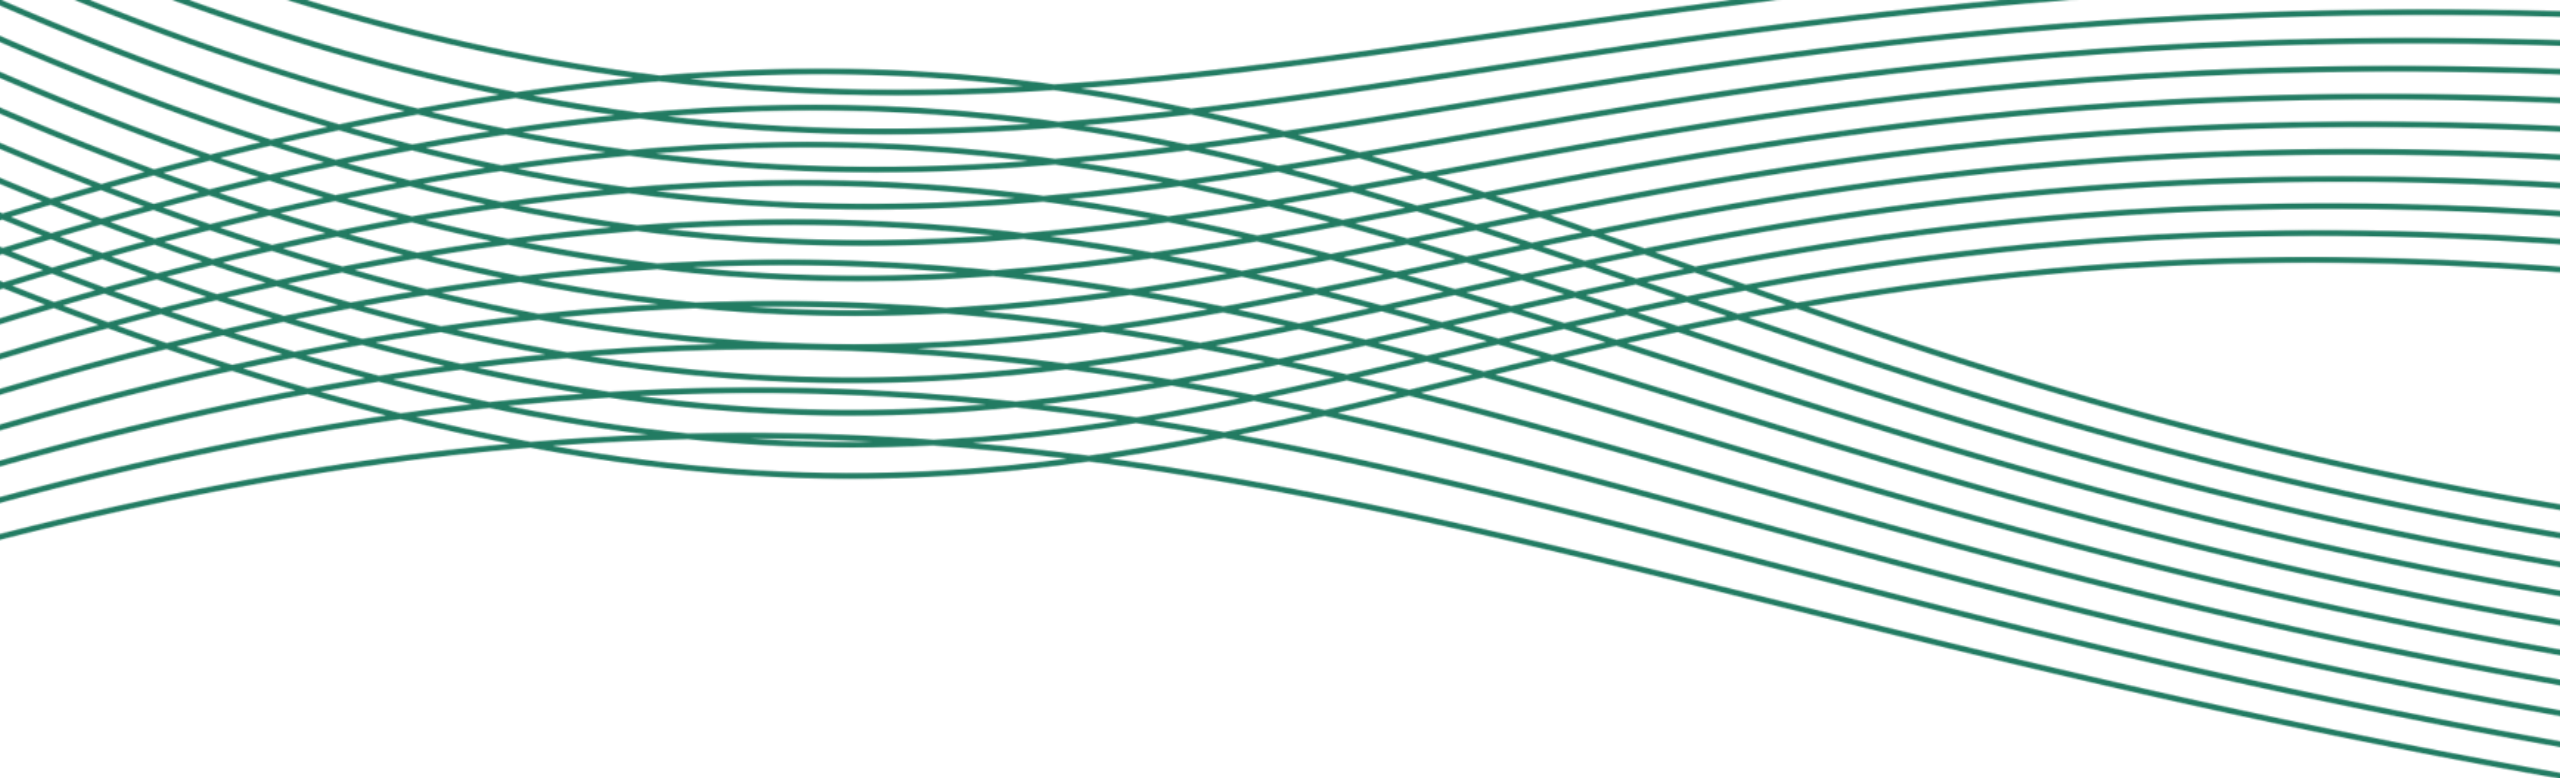

...we prioritise mental  
health and well-being as  
fundamental to learning?

**What if...**

...we reimagine  
assessment methods to be  
more authentic and  
reflective of real-world  
skills?

**What if...**

...we foster a culture of  
collaboration and  
teamwork in education?
