

## What will you learn?

This course consists of twenty weekly sessions of 2,5 hours each. During this course you will learn the basics of the Dutch language, with emphasis on listening skills and oral communication skills in an everyday context. Topics that are covered include:

- introducing yourself and talking about your preferences
- ordering food, shopping
- reading time and calendar, and making an appointment
- giving directions, explaining what you have done

Technically you will learn:

- Vocabulary and idiomatic expressions
- Oral communication skills as well as reading and writing in Dutch;
- Dutch culture and interpersonal skills

During the lessons you are requested to actively participate in conversation and oral tasks. You will also learn how to write short texts. In order to fully benefit from the lessons, you are asked to learn vocabulary in advance and do homework every week. Please be aware that these are not passive lessons during which you simply listen to lectures, read texts and translate sentences. By the end of the course, you will be able to communicate in common and everyday situations.

## Good to know

- This course is available for participants with an academic background (hbo/university).
- The course can be fully booked before the deadline
- Course participants are expected to spend approximately three hours a week on course preparation and self-study.
- Attendance is not compulsory, but advisable. Please note that the last class consists of an oral test and a listening test. To pass the course, you should be present on that particular day.
- A final written exam is part of this course. Dyslectic students can get extra time to complete the written test. To arrange this, you need to contact the LTC via [email](#). You will also have to send a copy of your official statement of special needs.
- A certificate is awarded to participants who achieve a 'pass' for all four skills.
