## What to look out for

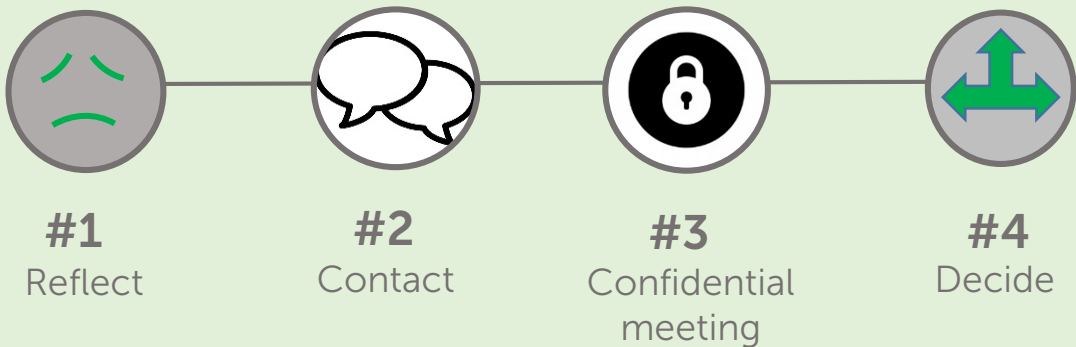

- Fabrication
- Falsification
- Plagiarism

04

## What to do

Check the scientific integrity policy and the VSNU Code of Conduct for research integrity.

05

## What to expect

If you decide to contact the counsellor scientific integrity with your concerns regarding research or education, you can discuss these in a confidential setting. You will get advice and counselling to reflect on the pros and cons of various options. This process will help you decide which steps to take and whether you want to file a formal complaint with the Scientific Integrity Complaints Committee. In some exceptional cases the incident must be reported.

## Contact
