

General Admission Requirements Erasmus University Rotterdam 2021/2022

The Central Admissions Office has compiled a list of the most common international and foreign diplomas that meet the minimum admission requirements.

Please note:

- You are not automatically granted admission to a Bachelor's degree programme if your diploma is on the list.
- You are welcome to contact the Admissions Office in case your diploma is not listed and you are interested in studying at Erasmus University Rotterdam.

In general, we require students to have taken final exams in general education subjects as we do not accept applied subjects. For some diplomas, we have determined which subjects we accept. Please see below.

International Diplomas

International Baccalaureate

When applying ensure that the levels of all subjects, including the language-related ones, are clearly indicated (HL, SL, A or B, etc.).

European Baccalaureate

For medicine, all examinations in the natural sciences subjects must be taken in writing.

British (International) A-levels

A minimum of 3 (international) approved A-levels in general academic subjects* with final grades between A*-C plus 3 (I)GCSEs in 6 different subjects.

**Accepted subjects: All Languages, Accounting, Ancient History, Biology, Business (Studies), Chemistry, Classical Civilisation, Classical Studies, Computer Science, Digital Technology, Economics, Environmental Science / Technology, Further Mathematics, Geography, Government and Politics, History, History of Art, Islamic Studies, Latin, Law, Life and Health Sciences, Marine Sciences, Mathematics, Philosophy, Physics, Politics, Psychology, Religious Studies, Sociology, Statistics.*

American High School Diploma (outside USA)

From an accredited high school; a minimum GPA of 3.00 plus 3 independent AP courses in general academic subjects (with grade 3 or higher). AP exams* are required to be taken externally with College Board.

** Accepted subjects: Art History, English Language and Composition, English Literature and Composition, Comparative Government and Politics, European History, Human Geography, Macroeconomics, Microeconomics, Psychology, United States Government and Politics, United States History, World History: Modern, Calculus AB or BC, Computer Science, Statistics, Biology, Chemistry, Environmental Science, Physics, World Languages and Cultures.*

Overlapping subjects are counted as 1 AP exam.
